1957 ERINNERUNGEN

PUBLISHED BY THE CLASSES OF 1957
AMERICAN HIGH SCHOOLS OF GERMANY AND FRANCE

Dedication

To the free mind of man,
From which ideals and greatness spring,
From which individual creativeness stems, and
Civilization's progress flows,
We dedicate ERINNERUNGEN.

Introduction

In turning these pages of the 1957 ERINNERUNGEN, you will share and we hope enjoy the memories of young Americans in the USAREUR high schools scattered throughout Germany and France.

The yearbook staffs of these schools have combined their talents and efforts the past nine years to create one yearbook to represent all the high schools. ERINNERUNGEN, meaning memories in German, covered only seven schools when it first appeared in 1949. Almost symbolizing the growth of the high school system itself, ERINNERUNGEN this year describes the experiences and impressions of the students and faculties of fifteen high schools. Although each of these schools has presented the common experience of attending American schools in Europe, it is hoped that the elements that give each school and the environment its own special flavor and atmosphere have been preserved.

To the 1957 High School Graduates:

It is a great pleasure to extend to all graduates of the American Dependents' High Schools of the United States Army, Europe, my sincere congratulations. This is a happy occasion for all of you. It is the attainment of a goal toward which you have been striving for a long time. The accomplishment is yours because of hard work and diligent study, as well as excellent instruction by a staff of dedicated teachers.

I am proud of you and I know that your parents, your friends and your teachers join me in this feeling of pride.

My best wishes go with you and may your future be filled with happiness and success.

Sincerely,

H. I. HODES

NÜRNBERG 344

In Nürnberg, the slate roofs seemed to have nestled down among one another over the ages. Only an occasional whisper of smoke in this city of Hans Sachs and Albrecht Dürer brings us back to our studies — we were ready to go downstairs to see if Dürer had completed the etching we imagined that he had begun this morning.

In the complete *ERINNERGUNGEN* for 1957 are the following schools:

Augsburg	Munich
Baumholder	Nürnberg
Berlin	Orleans
Bremerhaven	Paris
Frankfurt	Rochefort
Heidelberg	Stuttgart
Kaiserslautern	Würzburg
Mannheim

In the valley of the Pegnitz,
where across broad meadow-lands
Rise the blue Franconian mountains,
Nuremberg, the ancient, stands.
Quaint old town of toil and traffic,
quaint old town of art and song,
Memories haunt thy pointed gables,
like the rooks that round them throng:
Memories of the Middle Ages,
when the emperors, rough and bold,
Had their dwellings in thy castle,
time-defying, centuries old;
And thy brave and thrifty burghers boasted,
in their uncouth rhyme,
That their great imperial city
stretched its hand through every clime.

1956-57 Index of School Personnel

Classifications are indicated by *sr* for senior, *jr* for junior, *soph* for sophomore, *fr* for freshman. A question mark after a name indicates unknown grade level. Subjects taught by teachers are in italics. Seniors who did not graduate with their class (usually because they were transferred out) are marked *DNG*, for "Did Not Graduate." People in this index marked as ? are named as members of an activity. Some of these people may be junior high students; others may be the same person listed elsewhere but with a different first name or different spelling, e.g. John Spencer is listed as a sophomore; Carlos Spencer is on the football team. Same or different? -- Archivist.

Nurnberg American High School has seen a decade go by — ten years of faculties and students, school books and exams, sports and club activities. This school year of 1956-1957 has been a rewarding one for the students of NHS. With the help of our excellent principal, faculty, and office staff we have not only acquired the rudiments of learning and have been an active student body, but also have come closer to the culture and tradition in the atmosphere which surrounds us.

THE SENIOR CLASS OF NINETEEN HUNDRED AND FIFTY SEVEN

The Senior Class of 1957 has many fond memories of their final year in Nurnberg High School. One half of our class was new to Nurnberg High so the first week was spent in getting acquainted with our fellow classmates.

To start the year off, we elected the class officers of the year – president, Chickie Mazares; vice-president, Jim Malone; secretary, Nikki Sue Whitney and treasurer, Judy Hett. Once this was accomplished we began big plans – among them the carnival, the senior class play, and the senior class trip. Then we watched these plans grow into reality. Yes, this was a great year for the class of '57, but ahead lies an even greater future – that of businessmen, chemists, engineers, nurses, secretaries, reporters, and homemakers. And throughout the years we will look back and always remember our senior year, the best in Nurnberg American High School.

JUNIOR CLASS

On September 5, 1956, forty-two members of the Junior Class met in two homerooms, sponsored by Mrs. Rosin and Mr. Minasian. We started the year's many activities by electing our class officers, with Dick Walterhouse as president; Howard Chipman, vice-president; Lore Walters, secretary; and Linda Mapplebeck as the treasurer. From then on, everything was planned with one goal in mind, the Prom. When spring and Prom time came around, the results of all our hard work really showed up; the Senior Class sincerely appreciated the year's efforts.

We Juniors of 1957 are looking forward to our senior year and feel confident that we will continue to write the chapter of Nurnberg High School's history which we began as Juniors.

Sophomore Class

The Sophomore Class of '57 really got the year off to a good start. First, the two homerooms held a joint meeting and elected class officers to represent the whole class.

No sooner had we elected our officers than it was time to decide on what booth we wanted at the carnival. After much deliberation on the part of both classes Mr. Smith's homeroom decided on a German version of the "Wheel of Fortune," and Mr. Pederson's room decided on a "Cake Walk."

After the carnival we started planning the sophomore dance. We are happy to say that the dance was a huge success.

As you can see the Sophomore Class of '57 was very busy. And as far as the Sophomores can see a very successful and eventful year was enjoyed by all.

FRESHMAN CLASS

The class of 1960 enjoyed the school year very much, starting with the initiation at the beginning and ending with the last day of the school year!

All the Freshmen were glad to be a part of Nurnberg High School and know they will enjoy the years that follow.

Seems like Gregg to me!

Study!?

Thirty-eight girls and forty-six boys found a home away from home in the Nürnberg High School Dormitory (alias Residence Hall!) this year. Our three supervisors, Miss Padovan, Miss Russell, and Mr. Burton, often discovered themselves acting as advisers, teachers, and parents to us teenagers. What would we have done without their help!

The dormitory itself is commodious and attractive with the new annex, a comfortable lounge, and our own dance floor. All of our meals were served in the school cafeteria and no one, but no one, says there was not enough to eat. It was an interesting and valuable experience for us to live away from home, especially here at NHS.

Cram ... it's time for examinations.

DORM LIFE

ACTIVITIES

The purposes of the extra curricular activities in Nurnberg have been to form a well rounded and mature personality, to help people of the younger set to get along with others their own age, and to set the basis for a future career.

Hail, oh hail to dear old Nürnberg
Now we honor thee,

Starting with the first kickoff in football and continuing till the last basketball was thrown, Nürnberg's cheerleaders had an eventful and exciting year. These vivacious gals, captained by Chickie Mazares, worked together throughout the year and spirited the Eagles to victory in many games.

CHEERLEADERS

Letterman's Club made a good choice . . . we all agree!

The Eagles ran over Munich in the first half of the opening game only to be defeated by a slim margin of 26-25 in the last quarter. The second conference game of the season resulted in a smashing defeat for the Eagles — Kaiserslautern 31, Nurnberg 13. This defeat put some backbone into the brave, highflying Eagles who came back to win over Wiesbaden, 25-13. The brilliant win over Heidelberg, 6-0, brought roaring cheers from the faithful fans. The Frankfurt Eagles won the fifth game, 19-0. This upset disheartened our team tremendously, resulting in the loss of our final game with Stuttgart, 33-7.

BASKETBALL 1957

On a brisk October day the pounding of basketballs began as Nürnberg's basketball team, under Coach Nicolai, prepared for the court season. Nürnberg's schedule was made up of class A teams: Munich, Kaiserslautern, Wiesbaden, Heidelberg, Frankfurt, and Stuttgart. The season climaxed with the USAREUR tournaments held in Kaiserslautern.

Judy Hett, president of G. A. A., led this active group to fine athletic achievements, climaxed by a successful Play Day that was presented in the Spring.

INTEGRATED SPORTS

Our inter-school and intramural sports programs are comparable to any stateside school with a higher enrollment. The major sports this year were football, basketball, baseball, and track. The girls here at NHS were very active also with intramural basketball teams and several playdays with other schools.
