FRESHMEN

The experiences of high school are new, exciting, and in many cases, trying. When freshmen enter into high school much of their time is spent adjusting to new adventures and experiences.

in fields of school work the freshmen have plenty of it in comparison to junior high school. The responsibilities are much greater in high school, for freshmen are entering a life which has a lot to do with their role as adults in future years.

SPORTS

The cheering mass of fans, the band playing our fight song, Loyal Eagles Singing the "Alma Mater," the spirited glow which reflects on field, court or track or where it be — all these remind us of the sports and games which we attended all through the school year. We cheered the team in thick and thin alike. It's not the score, but playing the game that really counts.

Football

Football

After sharing championship honors with Wuerzburg in 1959 and placing second behind Heidelberg last season, the mighty Eagles of Nuernberg flew high through the 1961 season undefeated and untied for the Class B conference championship.

The Green Tide, with a 7-0 record, scored a total of 178 points and yielded only 40 points, for the best season ever on the Nuernberg gridirons.

Who will ever forget our all-USAREUR scatbacks Willie Getter and Gil Frisbie? As Willie won high scoring honors for Europe, Gil kept the team rolling after his departure. Through it all the defense of brawny Richard Moran kept our opponents from scoring.

Head coach Cletus Campbell, assistants Cecil Campbell and Alan Hendersen, and Sgt. Kircher taught the boys to be a second-half team that ran the split T formation to perfection — a bunch of boys who had what it took — conditioning, sportsmanship, guts, and a will to win.

MUNICH 7

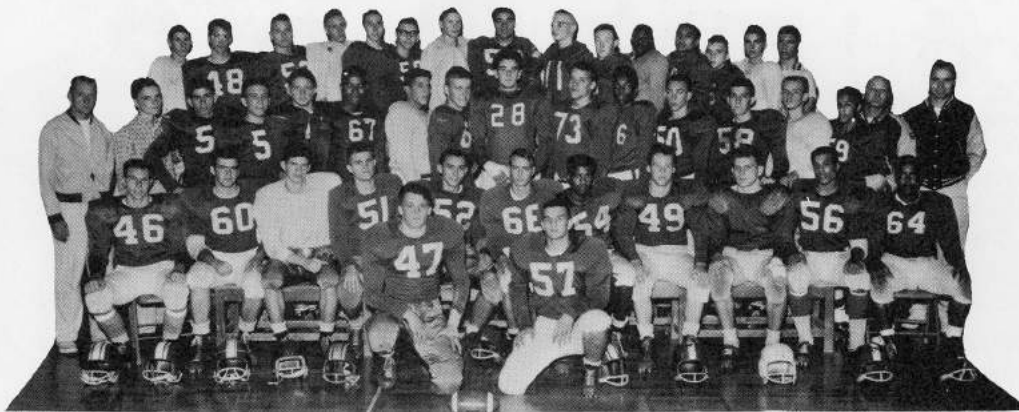

GREAT EXPECTATIONS

Enthusied and excited Eagle fans traveled to Munich to see the Green Tide explode for touchdowns in the second half to overtake the Class A Mustangs in a 26-7 exhibition game.

Getting off to a fast start in the touchdown derby, Willie Getter paced the Nuernberg victory over Munich by running 70, 67, and 59 yards for paydirt.

Munich quickly started rolling on a 60-yard drive and edged ahead of NHS by one point, 7-6, at the halftime intermission. Getter had taken a handoff from George Bingham, and getting key blocks from Gil Frisbie and Ray Acevedo, he scampered through the outside avenue for an Eagle score.

Losing most of its drives on fumbles and rule infractions, Munich could not catch an alert and well conditioned Green eleven in the first contest of the 1961 gridiron season.

NUERNBERG 33

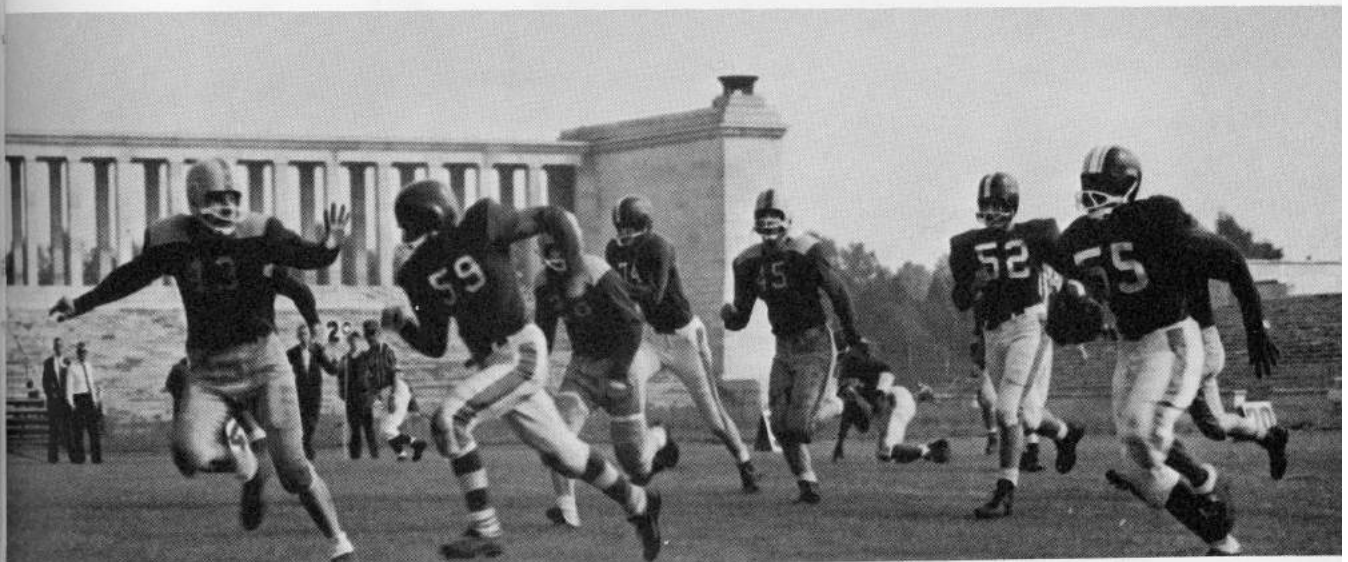

MANNHEIM 7

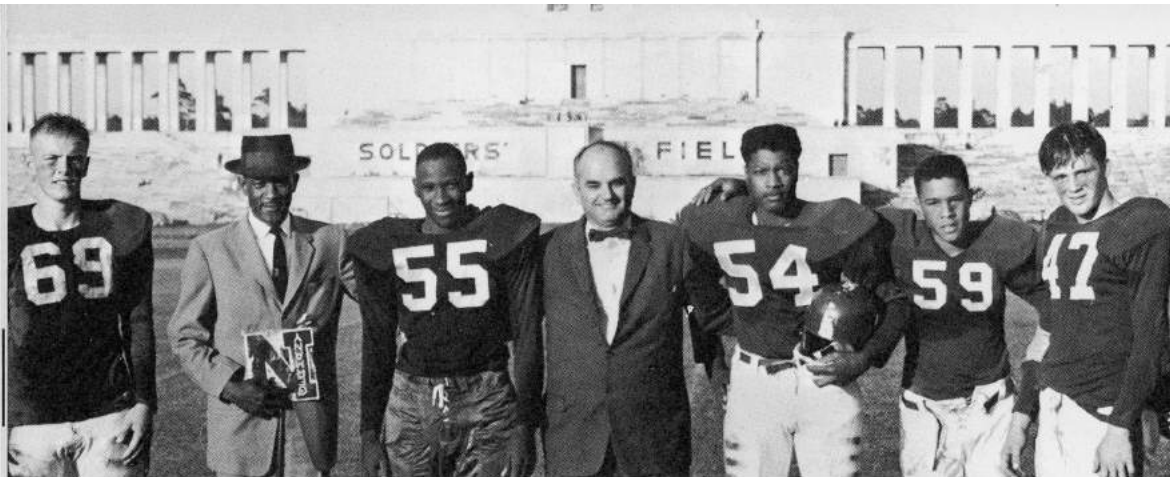

WITH ONE WIN UNDER OUR BELTS

With a relentless ground attack, the Eagles rolled up five touchdowns to march past Mannheim 33-7 at the newly rededicated Soldiers' Field.

Figuring in almost all the scoring, the elusive Mr. Touchdown, Willie Getter, racked up a total of 252 yards in nine carries to post an amazing average per carry of 28 yards. Gil Frisbie scored twice, once on a run down the middle for 60 yards and again when he returned a punt for 65 yards. He also added two extra points.

Steve Bingham booted a kickoff to the two-yard line. He averaged 40 yards per kick for the afternoon. The defensive work of Burt Mordan, Gil Frisbie, Willie Getter, Richard Moran, Ray Acevedo, Dale Forman, and Cliff Mabry held the Bisons to one lone TD.

NUERNBERG 28

BAUMHOLDER 13

A VITAL VICTORY

Fired-up after trailing 13-0 at half-time, the Eagles totaled up 28 second-half points to jar Baumholder and gain a number one slot in conference play.

The amazing tactics of quarterback Chuck Robinson gained him one touchdown along with the scoring barrage of three TD's by Getter. Frisbie contributed impressive short gains up the middle and fullback George Bingham charged for two extra points on the powerful wedge play.

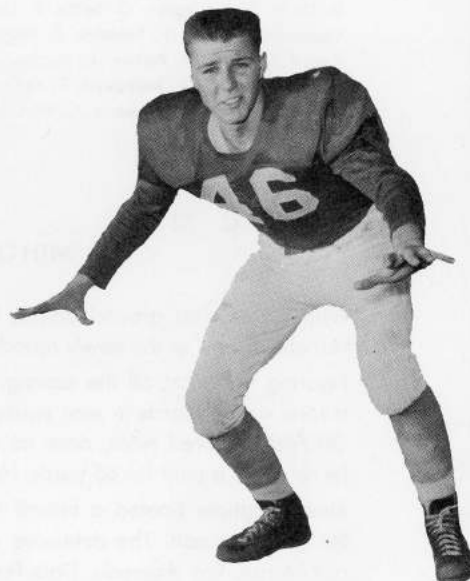

NUERNBERG 34

AUGSBURG 7

THE GREEN TIDE ROLLS ON . . .

The marvelous Willie Getter played his last game for the Eagles, sparkling on a dramatic 85-yard TD punt return and scoring two more times to help smother the Apaches 34-7. Quarterback Chuck Robinson added two other six pointers.

End Dave Worland snagged a 35-yard aerial from Robinson and recovered a fumble on the Apache five to set up two of the touchdowns. Frisbie and the Bingham brothers contributed three points after touchdowns.

HEIDELBERG 6

TEAMWORK FOR REVENGE

The Green and White eleven paid back a year-old debt with interest scoring in every period as five Eagle talents reached pay dirt and edged NHS nearer to the Class B crown by slamming Heidelberg 31-6.

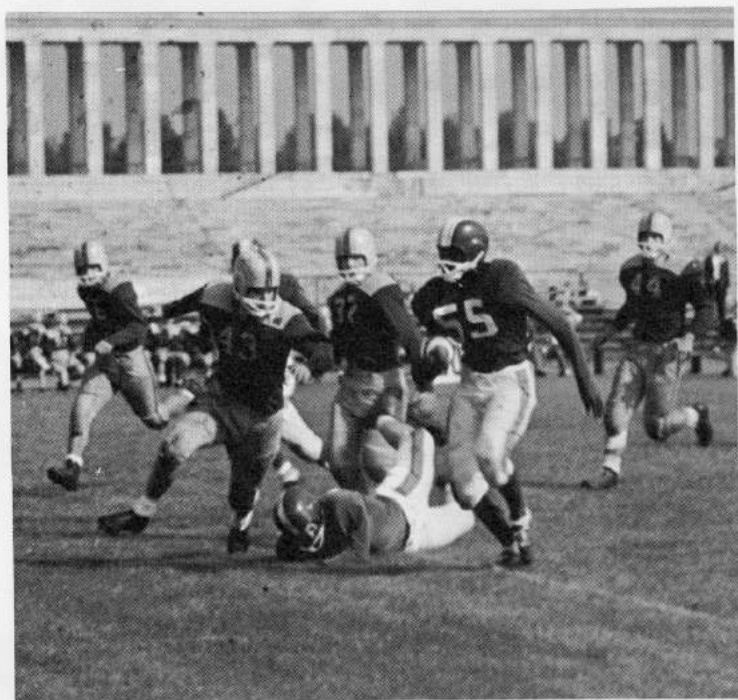

George Bingham, Gil Frisbie, Dave Worland, Cliff Mabry, and Steve Bingham each scored touchdowns, grinding out an impressive 21 first downs to Heidelberg's 9 for an overall yardage gain of 371 yards to the Lion's 186.

In a grim contest marred by three personal fouls the team performed outstandingly without the services of high scorer Willie Getter.

NUERNBERG 19

WUERZBURG 0

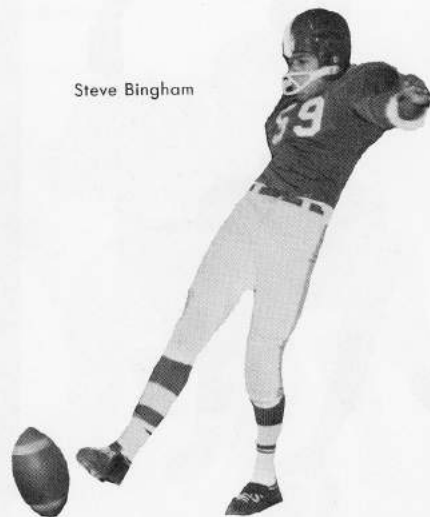

THE CLIMAX

The previously unbeaten Wolves were crippled 19-0 as the Eagles shut out Wuerzburg with sensational runs and power-packed plays. This revengeful game was played on the muddy turf of our home stadium before a homecoming crowd, the largest of the season.

Green Tide end Dave Worland snatched a Chuck Robinson pass on the Wuerzburg 7 and went all the way. Gil Frisbie added the extra point, plus two scampering touchdowns of 35 and 25 yards.

A string of red penalties proved disastrous for the Wolves, as they drew 115 yards altogether. Nuernberg virtually clinched the Class B high school grid title.

THE CHAMPS: UNDEFEATED, UNTIED

Tremendously inspired Bitburg nearly engineered the upset of the year, holding the usually high-scoring Eagles to a one-touchdown 7-0 victory.

Defensively the Green Tide held the Barons to a minus 29 yards in the first half, but offensively the Bavarian Boys lost the ball on fumbles on four different touchdown drives. Because of the freezing field of mud and snow, NHS gained only 165 yards.

Quarterback Chuck Robinson directed Frisbie and Bingham for consecutive short gains and threw an 11-yard flare pass to Dave Worland. It was Frisbie who trudded through the slush up and across the middle to score the one lone touchdown, but this was enough to win the game and 1961 Class B conference championship.

Homecoming

In addition to the game, the day was highlighted with a colorful ceremony in which the Homecoming Queen, Lynn Gassert, and her attendants, Dianne Evans and Natalie Brundage, were presented to the crowd. The queen and her court reigned over the Homecoming dance, that was held in the school cafeteria. All in all it was a very memorable occasion.

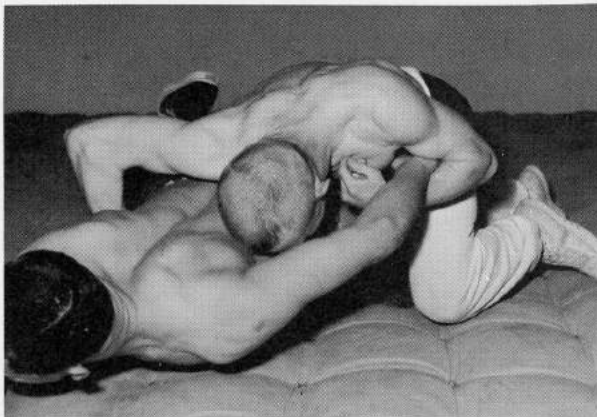

Wrestling--

In their second season, the NHS matmen showed their prowess and skill to a growing number of fans. After losing to Mannheim, the grapplers picked up and went on to a successful season. With weights ranging from 95 lbs. through the unlimited class, many boys were able to participate.

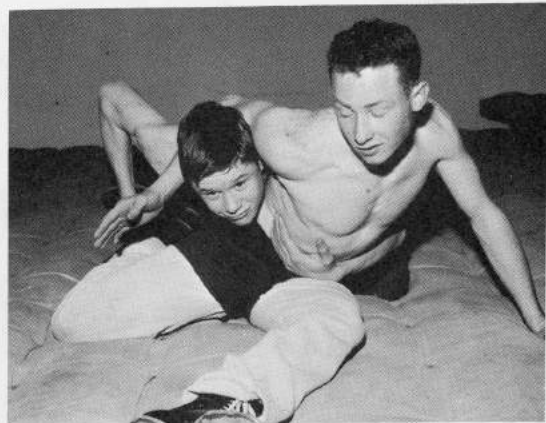

Wrestlers are: R. Roberts, A. Rivera, J. Russell, R. Crofoot, S. Anthony; L. McCaslin, R. Yelvington, C. Fowler, J. Woolridge, D. Cawfield, V. Villarma, M. Waugh, R. Stone,

"What's the good word?" this yell voiced the eagerness and school spirit backing the NHS teams, the Eagles. The memories of the 1961-1962 school year are all wonderful ones but the outstanding ones are of the football, basketball, track, soccer, and wrestling events in which pep rallies played a very important part.

Preparations for the football season began in September. Cheerleaders were elected by the students, being six in number including a head cheerleader. These spirited girls led pep rallies before games, decorated the goal posts and halls with green and white crepe paper, and composed the backbone of the cheering section.

A sport virtually unknown in many Stateside high schools, soccer has proved a unique and successful addition to the athletic scene at NHS.

Spurred on by Coach Davis, the soccer team took on several German school teams, as well as the other squads from neighboring USAREUR schools.

A second place trophy was garnered by all team efforts, and such outstanding players as Gil Frisbie, Walter Orcutt, and Jerry Dennard led the way to many victories for NHS.

Tennis

This year's sports calendar found tennis moved up to provide for spring competition between the "racquetteers" of the USAREUR dependent schools. Hoping to better the record of last year, and highly enthusiastic at early practices, were the following members of the tennis team; Darlene Flecker, Ginny Shore, Teena James, Steve Lungstrum, Linda Evans, Diana Lewis, Shirley Fleming, Paula Everett, George Benford, Richard Strieff, and Greg Lungstrum. The current season found Mr. Claude Stuteville coaching the tennis team.

George Bingham in a record-breaking performance

Nuernberg's track team captured first place in the Southern Regionals and charged on to place a close second to Frankfurt in the USAREUR finals.

Nuernberg captured three records in the Southern Regionals through Willie Getter, Bill Goode, and George Bingham. The meet boomed off as slim Bill Goode eclipsed the old mark by a tenth of a second by winning the 120-meter high hurdles in 15.4.

The record book had another page altered in the 1,500 meter run. Green Tide George Bingham paced himself smoothly for a 4:10.6.

Getter erased the final mark of the day with a broad jump of 22 feet, 1½ inches.

Other firsts for Nuernberg were: 180 low hurdles — Jack Goode, 800 meters — Grant Jones, 200 meters — Willie Getter.

The USAREUR finals saw Bingham break his own 1,500 meter mark by stepping out to a new mark of 4:06.6.

The Eagle basketball team experienced one of the greatest years in the history of the school. Behind a powerful offense and a scrappy defense, the team rang up 13 victories out of 14 games to boost Nurnberg to the top. The first game was played at Mannheim, where the mighty Eagle Five defeated the Bisons 51-47 in the first game. Captain Dave Worland, excelled in the second game, scoring 27 points to push the score to 85-55. With two games to our advantage, Nurnberg displayed outstanding marksmanship and rebounding talent by upsetting Frankfurt's hopes for an undefeated season by a score of 56-50. Terry Jorgensen and Steve Bingham

were the "sharp shooters" in scoring 17 and 13 points respectively. Our second game with the Eagles "turned the Tide" and they inched by us with the final score reading 57-48.

Then on to Heidelberg to down the Lions 44-39 in the first game. Roger Haddad presented an outstanding show under the basket by getting 20 rebounds in the second half of the first game and 26 in the second game. The second game, 71-57 our favor, was won by the fine teamwork and spirit of the Eagle squad.

Stuttgart paid a visit to us and we "stomped the Stallions" 51-49 and 61-49. Excellent sportsmanship, the will to win, and the Eagle spirit caused the entire team to be accredited with our victory over Stuttgart.

Wiesbaden came to Nurnberg only to find defeat. The Green Tide engulfed the Warriors with a final score of 48-29. In the second contest Leroy Lewis scored 29 points as the high-scorer with the buzzer climaxing an 81-48 win.

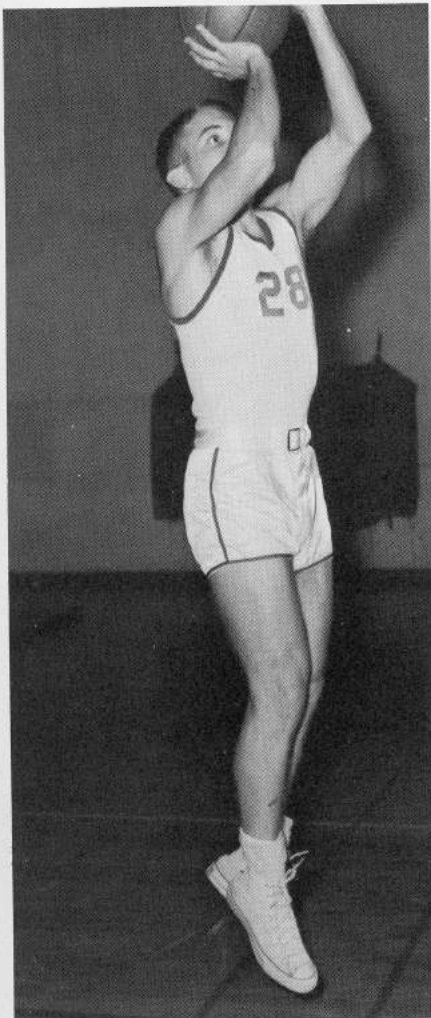

K-Town and Nurnberg played on our home court which, to our advantage, gave us two winning games. Gil Frisbie was excellent in his shooting power with 25 points and high scorer for the ballgame, which was won 87-76. The Eagles were slow the first half of the second game with 12 points to the opponents favor, but being a second-half team, pulled out in front to win 70-59,

Our last game sent Nurnberg to Munich. Lagging behind in the first half of the first game,, the Eagles rallied to defeat the Mustangs 88-84. Scorers for Nurnberg in the first game were Dave Worland, 19 points; Steve Bingham, 25; and Leroy Lewis with 23 points. In the second game, Dave snatched 25 rebounds and scored 15 points; Leroy grabbed 23 rebounds and dunked in 21 points; Roger Haddad pulled in 22 rebounds and hit 11 points; George Bingham excelled in defensive and offensive play with 19 points to total a score of 79-56.

After only one defeat, the Eagles "flew away" with ten consecutive wins, to share the championship with Frankfurt in Class A competition.

Student Council

The Student Council works toward governing our school in a democratic way and presents the students eyeview to the faculty, thereby influencing many major decisions and programs of the school. The aims of the Student Council are to raise the standards of our school, to develop better citizenship and capacity for self-governing, and to better the relationship between the faculty and students. The Student Council also strives for new and better projects that will prove to enlighten spirits and promote enthusiasm throughout the school year.

Eagle's Nest Staff

Third period any day of the school year one would find in the annual room an atmosphere of buzzing spirit.

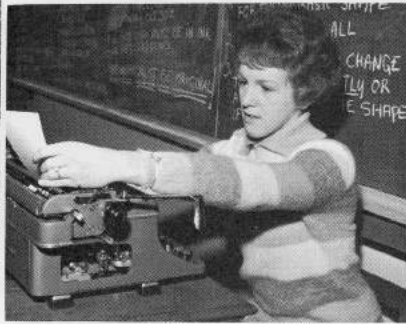

Each member of the **Eagle's Nest** had individual duties and strived to carry them out as near perfection as possible. Open-mindedness, creativeness, and responsibility produced teamwork which in turn furnished the school with a pictorial account of the year 1961-1962.

All staff members kept in mind that the book be built around our theme, Nurnberg, the City of Toys.

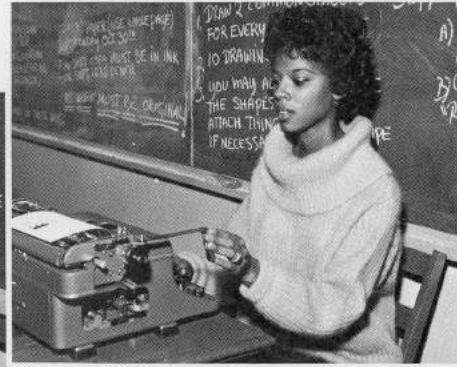

Finally, after months of anxiety the **Eagle's Nest** was sent to the printer, while the staff, students and faculty waited for the finished product.

Diligence ... a word that best described our **Trichter Staff** at Nuernberg High.

News was never hard to find around NHS because of the various activities that required colorful write-ups. Ever-mindful of approaching deadlines, members of the journalism class strived to master the techniques of the trade, proofread copy and had the chore of distributing the news to eager Eagle subscribers.

"Welcome to Teen Hi-Lo Down!" This phrase is heard over AFN Radio Club. Sponsored by Mr. Ferguson, the club produced all the lo-down around NHS, including fads and fashions, sports, class news, interviews, news from Wurzburg High School, and of course favorite requests.

Hosts and hostess for the program were Terry Jorgenson, Ron Borkowski, and Diane Wiest.

The Radio Club provided variety as well as fine listening enjoyment throughout the entire year.

It takes diligent, talented people, in four part harmony to produce beautiful melodies . . . right Mrs. Jones?

Our band of "helpers" presented carols to boost the spirit of Christmas at the Christmas Concert.

So . . . let's strike up the band!!

Chorus

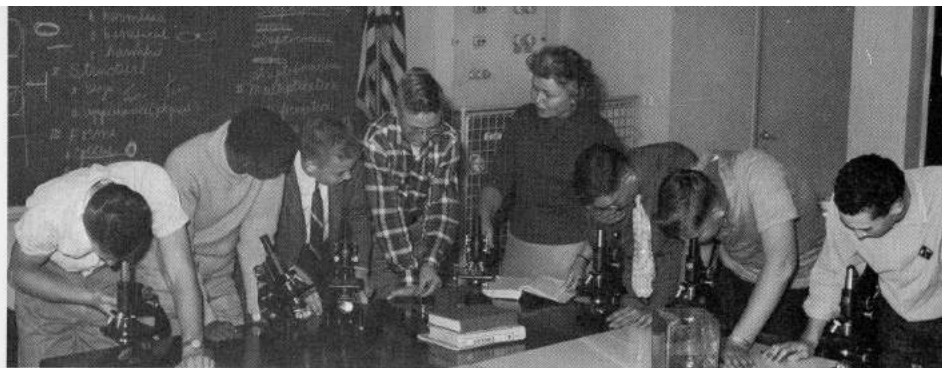

The Nurnberg High School chorus under the directorship of Mrs. Jones has provided many harmonious moments for the student body through various assembly presentations and the traditional Christmas and Spring concerts. Working both as a class and an activity, the chorus has done music ranging from hit show tunes to spirituals.

Band

The band, directed by Mr. Maurice Worland, played at the football and basketball games and at pep assemblies, adding atmosphere and raising spirits. The band also participated in the Christmas and Spring music concerts accompanying the chorus.

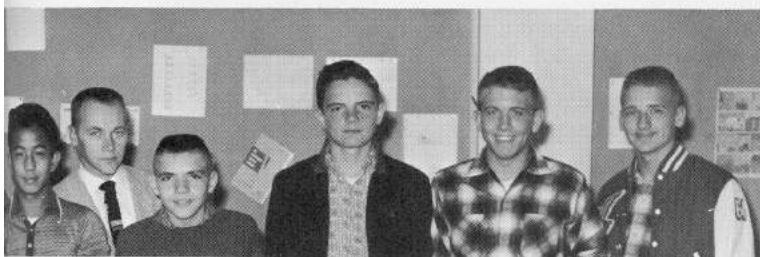

Science Club

The Science Club, sponsored by Miss Kuzara, was energetic in many ways. The club was responsible for decorating the show case in the hall, making posters and organizing the Science Fair. The members gained in experience when they took a field trip to the Science Museum and Planetarium in Nurnberg.

The members of the Slide Rule Club learned how to use the slide rule, multiply and divide square and cubic roots, worked proportions and logarithms and studied trigonometry. This club was sponsored by Mr. Rogers.

A. V. Club

The Audio Visual Club, sponsored by Mr. Estey, indeed gained our recognition and gratitude for the transportation of heavy projectors, transformers, and other equipment from place to place. Although the members of the club did not enjoy this physical labor, they seldom complained and very little equipment was broken.

Prom King Tom Turnmire watches Junior Class President Gil Frisbie crown Benita Boehm Queen.

A Night to Remember

The Junior class kept the theme, "Arabian Nights" under their hats until the "Night of Nights" finally arrived. Entertainment was provided, an orchestra produced romantic rhythms; and a beautifully arranged banquet was enjoyed by all.

Queen Benita and King Tom lead the dancing after the coronation.

Hey, get the ball out of the net!

Look, Chuck found a tree!

"Home Away from Home"

Dormitory

An outsider to the dorm would probably exclaim, "How does it feel to be living in a three-ring circus?"

Since our enrollment was larger this year than ever before various activities were carried on because of the vast variety of interests of the dormitory students.

The Dorm Council, with Chuck Robinson as president, strived to create interesting projects and entertainment throughout the year. Dorm members enjoyed a Christmas Dance including a contest of the most colorful and original decorations, a trip to the Erlangen roller skating rink, a trip to the Nuernberg Opera, a spring picnic, and the annual dorm banquet, held in the school cafeteria, which served as the climax of the year.

Mr. Calvin Cornell, Mr. Fredrick Mueller, and Mrs. Vivian Ross were newcomers to the dormitory administration this year.

Veteran counselor, Mrs. Ruth Harrigan, was once again available for her diligent guidance as this was her second year at Nuernberg.

So fine, so firm, so fully packed!

JUNIOR HIGH

Reflecting on a busy year, the Junior High students recall numerous field trips to Nuernberg, that all important Christmas dance, class after class, endless nights of study, and the busy days that composed a solid Junior High School year.

Non-Teaching Personnel

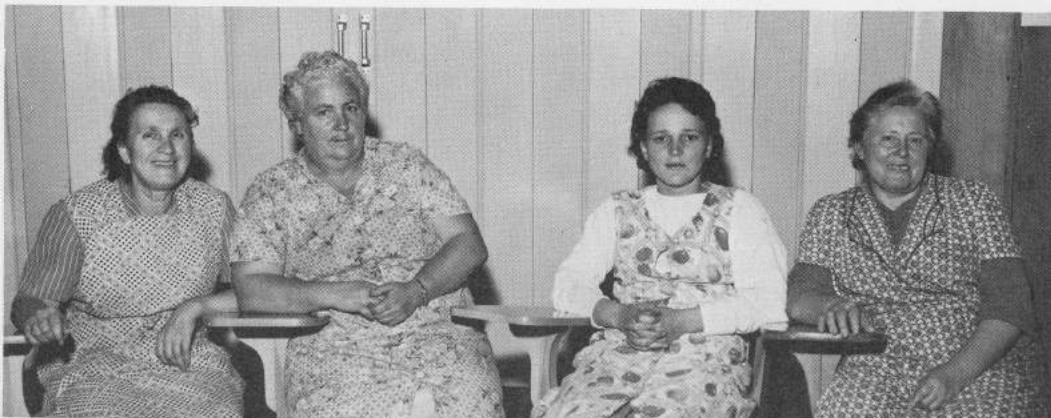

Herr Kruger pays a "Fasching" call.

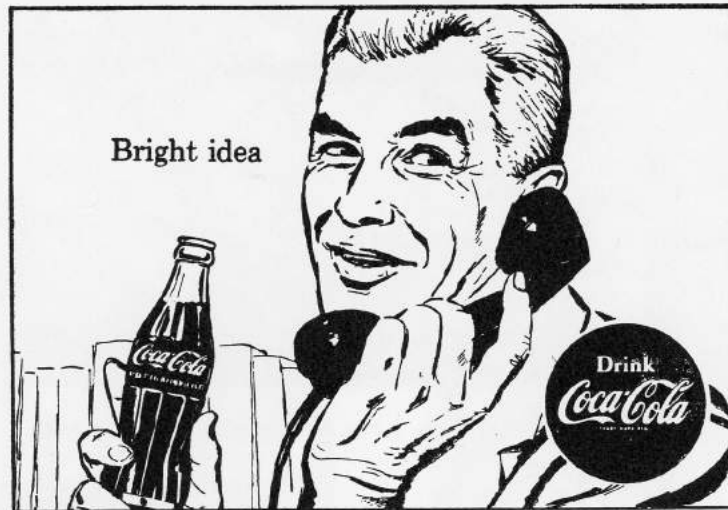

G. Rosenfeoeig, H. Rosenfeoeig

Every school has a "behind the scene" staff who compose the non-teaching personnel. These people provide the meals, clean the premises and keep the school plant in operating condition. The annual staff on behalf of the student body extends a vote of thanks to our "behind the scene" staff.

See
Holland
on your way to the
USA

— and get a glimpse of one of the most attractive countries of Europe before continuing your flight to the States. And there is always a KLM plane waiting for you.

Take Amsterdam, for example. It is hard to name all the attractions of this unique city — history and culture, the life stream of modern business and the dream sight of old patrician houses reflecting in the still waters of Amsterdam's canals. Holland is by no means a big country. In no time you are in remote rural parts where old Dutch peasantry presents itself in colourful romantic costumes before a background of typical Dutch windmills. So you will be full of impressions when you board your KLM plane to the United States. Make full use of KLM's helping hands to make every arrangement you need in Holland!

Here is one more practical hint: Take a close look at the Tax-Free Shopping Centre at Schiphol airport. Here you find a fabulous collection of luxury items at down-to-earth bargain prices. There is a tremendous variety of things to buy: liquors, tobacco products, perfume, films, cameras, tape recorders, watches, lighters, evening bags and fountain pens — all at low, tax-free prices. See your travel agent or nearest KLM office.

KLM - Sincerely Yours
