## THE MOVE

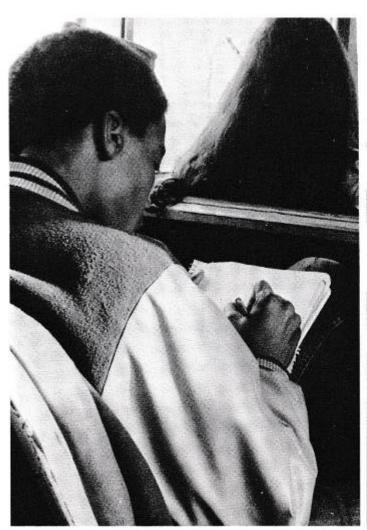

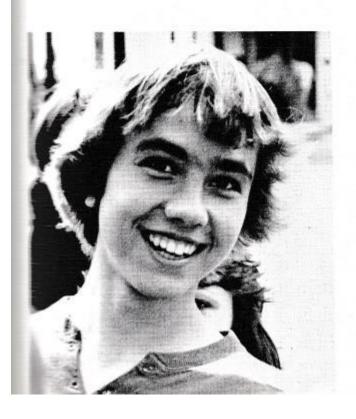

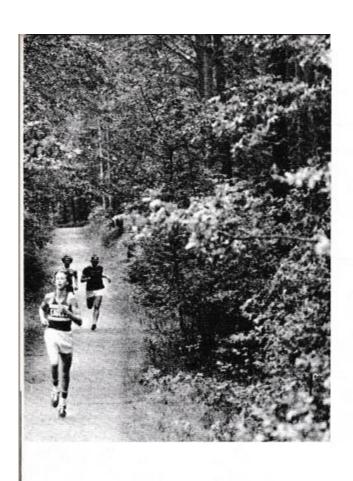

Don't walk in front of me - I may not follow.

Don't walk behind me - I may not lead.

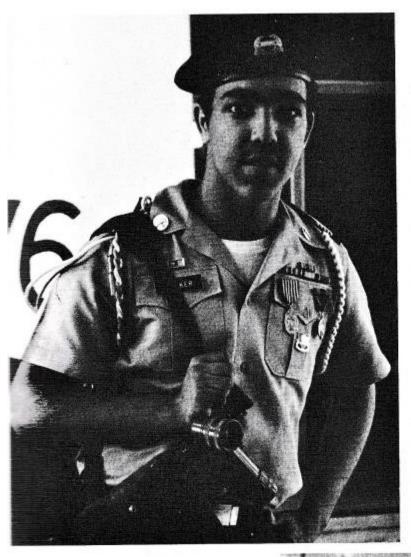

Walk beside meand just be my friend.

Camus

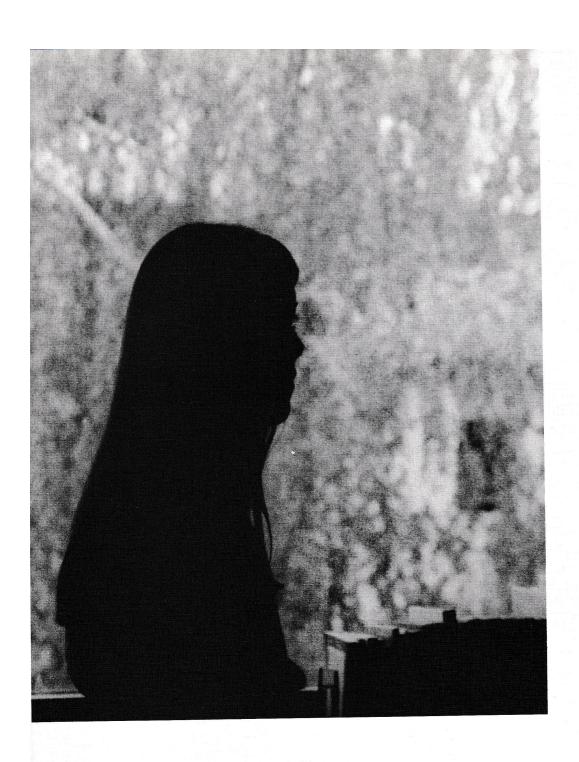

Happiness is like a butterfly.

The more you chase it, the more it will elude you.

But if you turn your attention to other things,
It comes and softly sits on your shoulder.

## Tranquil

it is until 8 o'clock when green Army buses begin to deliver more than 1300 of us from such faraway places as Amberg, Bamberg, Erlangen, Herzo, Hohenfels, Memmingen, Vilseck, Bindlach, Graf and Regensburg.

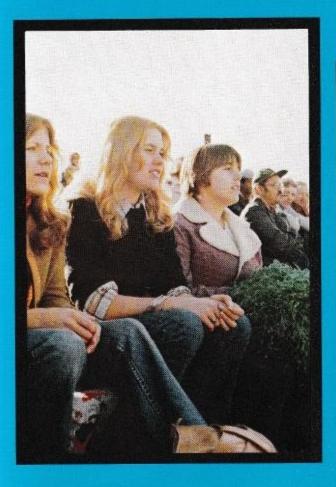

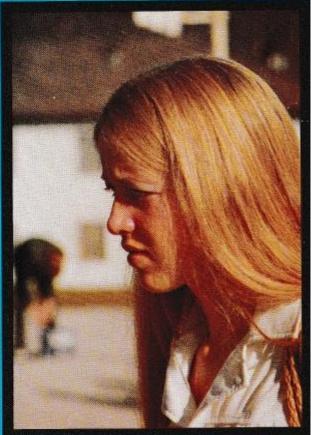

# NUERNBERG HIGH SCHOOL

By 8:30, tranquility has vanished; energy has taken its place.

Some will send the next four nights in the dorm, but most will be bused home after classes and activities. The bus is a significant part of life at NHS.

## IN GERMANY

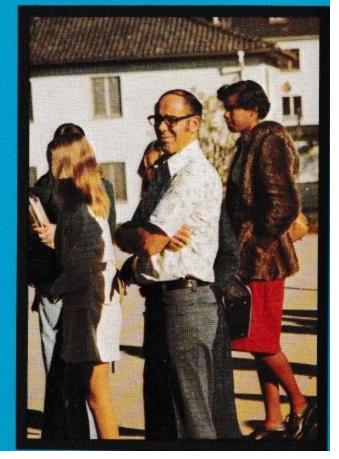

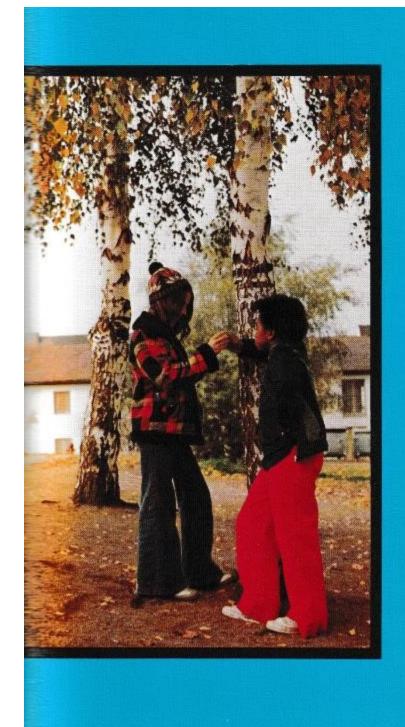

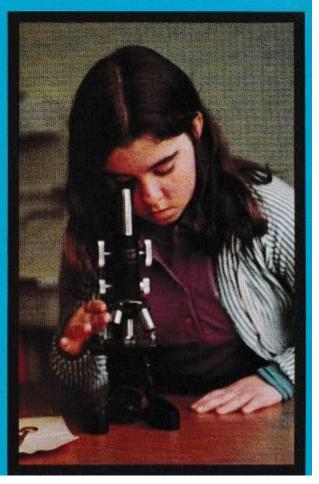

School, Work, and Play Those were the days

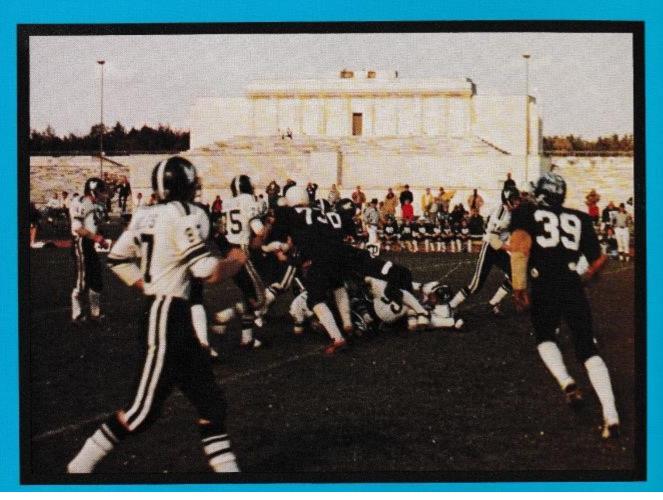

Nuernberg, a city with an important past Our memories are sure to last

Of this we have been a part Cobblestones and castles we know by heart

No one will believe we were here When we remember we may shed a tear over those exciting years

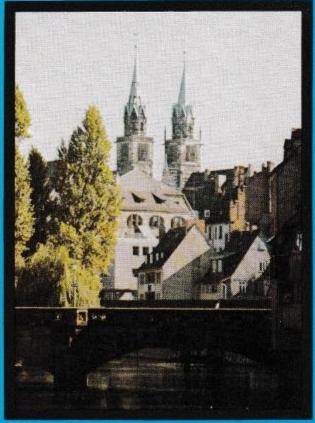

We have played football in Hitler's Stadium.

We have drunk Spezi in the shadow of the Kaiser's castle.

We have shopped at the oldest Christmas Market in the world — the Christkindle.

We have worked and played in the shadow of the past and the future.

### Men's Cross Country

Bob davis placed second against Wuertsburg and Hanau at a Nuernberg meet.

The 1976 Men's Cross Country Team turned in one of its best seasons this year. The schedule called for five meets plus the final held here in Nuernberg. The team placed first in two of the meets and second in the other three. In the finals which brought together 17 schools throughout Germany, Nuernberg placed in the top half with individual honors going to Bob Davis and Paul Geouge. All in all the team had a very successful year because . . . "CROSS COUNTRY RUNNERS DO IT BETTER!"

Jeff Reinhard at Dambach Forest.

#### Women's Cross Country

The Cross Country Team wrapped up a good season with the women placing third in the regionals here at Nuernberg. Top runner Petra Wall, placed first or second in every meet and topped the season by making the top five in regionals. Coach Lupton said, "Like all sports teams, our team had its ups and downs." He was right! Up and down "Ski Hill" . . . Up and down the "Stairway" . . . Up and down "Gat Hill" . . . Up and Down . . .

Golf was an intramural activity this year — individual competition, not team. We had three practice meets, then the qualification for finals at Dachau. Three individuals qualified for the Berlin finals — David Williams, Dan Doxtator, and Howard Segal. Other participants were Edward Moore, Tod Cox and David Bugay. At Berlin, Danny came in 19th, and Howard was 20th over all. Dave failed to score.

## WOMEN'S VOLLEYBALL

The women's varsity volleyball team had a fine season, winning all their home games and losing only three away matches. They defeated "undefeated" Hanau in a close home game and went on to place fifth in their regional finals. The Jr. Varsity team showed tremendous improvement this season, winning about half their matches and showing great spirit. These girls will be next year's winning varsity.

Although small in size, the Nuernberg Eagle Varsity Football Team pushed its way to a 2-4-1 season. Plagued by mistakes all season because of their inexperience, the young Eagles got it all together for the Homecoming Game against Augsberg for a 23-21 come-from-behind field goal in the last 30 seconds. The team was led all

year by Captains Melancon, Davis, Soltys and Martin, with fine performances by young Steve Moeller, Jay Watson, Blane Kelly, Steve Adams, and Duane Drouillard. We have a nucleus for next year's team, and we look for a championship season.

This has been the first year in a while that Nuernberg has produced a J.V. Football Team. The layoff must have been a boost—what a team it was! The team, led by Coach Vecchio, was small and inexperienced but their guts and ability brought home a 4-3 record. They almost took it all in the Silver Division South but lost a heart-

breaker in the final. The team consisted of many outstanding athletes. Chosen as most valuable lineman was Tony Berry. Most valuable back was Mark Barbary, and the two Co-Captains were Greg Thomas and Vince Sager. Coach Vecchio is looking forward to next season. As he puts it, "The J.V. Eagles are back."

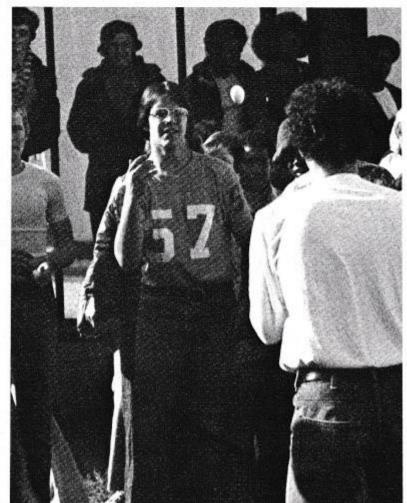

## **HOMECOMING 76**

Homecoming is a tradition at NHS that spans the entire week and involves the whole school. Spirit day, powderpuff football, pie throwing at our own goodnatured coaches, colorful hall decorations by each class, activity period tug-o-war and egg catching contests, the pep rally, and the Friday night bonfire all lead up to Saturday's big game featuring the "Mean Green."

Buddy Howell demonstrates how to VERY GENTLY toss an egg.

A celebration dance at the Kalb Club brought Homecoming 1976 to a beautiful close.

Saturday's game against Augsburg proved to be the most exciting game of the season. The "Mean Green" led throughout the game until the last three minutes when Augsburg pulled ahead 21-20. Hearts sank, then climbed to our throats as Travis Martin attempted a 30-yard field goal — HIS FIRST EVER. The crowd went wild as the clock stopped at 23-21.

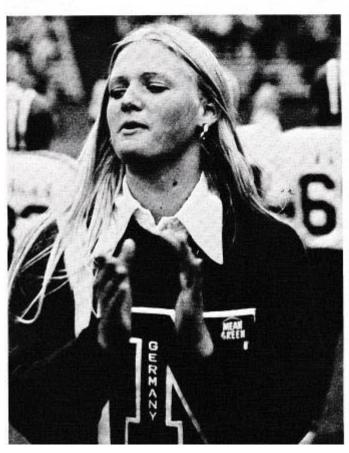

Tension shows on Herby Davis' face just seconds before the winning field goal.

## VARSITY CHEERLEADERS

Give me an E-A-G-L-E-S! Who helps put the punch into that cheer? Who helps get the crowd on their feet to support the team? The varsity cheerleaders. Twice a week after school, the squad gets together to practice new cheers. No matter how easy the girls make it look, cheerleading is really a lot of work. But that's the trick-practice-and practice to make it look easy.

On September 14, 1976, six cheerleaders were chosen to cheer for JV football, basketball, and wrestling. Since then, they have shown lots of enthusiasm and brought out the school spirit. The JV squad practices three days a week after school.

Nuernberg Eagles Women's Varsity, sparked by the talent of Lisa Price and the height of Marion Fairbanks, finished with a conference record of 10 wins and 4 losses which earned them 3rd place in the conference standings. Starting the season off by losing two games to Wiesbaden was discouraging, but when the Eaglettes returned after Christmas vacation, they defeated Stuttgart twice. After two losses to Heidelberg, ten straight wins carried them into the DODSEUR Blue Division tournament where they took second place.

The Varsity Men's team completed another successful season by defeating Frankfurt 69-61 to finish third in the DODDSEUR Blue Division Basketball Tournament in Mannheim. The hustling Eagles nipped Bitburg 49-45 in the opening round and dropped a 64-60 over-time decision to the K-town Raiders, in the semifinals. The defense-minded Nuernberg team won nine league games and lost five to earn third place in the division standings. Lead by the shooting of O'Dillard Johnson and Zack Earvin, the rebounding of Herb Davis and Ron Doxtator, and the stingy defense of Dennis Pasley and Andre Stokes, the high flying Eagles provided excitement for their loval fans. All teammates contributed to the successful 15 win loss season. A highlight of the season was earning a first place trophy at the Ansbach Christmas Tournament. The small, but fast Eagles, outlasted Hahn 45-44, whipped Hanau 56-41, and beat the rival Ansbach Cougars 48-41 in the Championship game.

With the strength in the middle weights and led by experienced wrestlers such as Tony Trayers and team captains Jay Watson and Pete Soltys, the Nuernberg Eagle Wrestling team finished with a 4/8 win-loss record. In the DODDSEUR Regional Championships, two Eagle grapplers walked off with final standings. Sophomore Jay Watson in the 138 lb weight class, although hindered by an ankle injury, still mustered enough energy to place second. Tony Trayers, another sophomore, placed third in the 165 lb. class. For the first time in many years, Nuernberg has produced a junior varsity wrestling team. The season was very successful, and the team ended with an 8-3 record. Although there are no regionals for the JV, Nuernberg had one outstanding wrestler, Jerry Thomas, who was undefeated and unscored upon.

# Clubs Organizations Activities

This section of the yearbook is designed to show some of the unique aspects of NHS. Our activity period occurs in the middle of the day, right after lunch, to permit all students, especially the bussers, to participate in a variety of different clubs and activities. Each teacher offers one or more activities, and each student is free to chose those that interest him or her.

Also included in this section are:

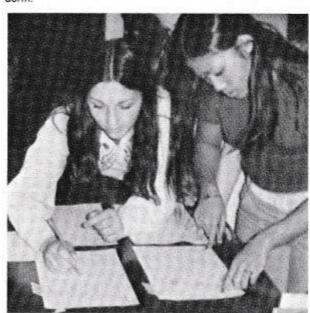

Dorm Life COWEX
Drama Presentations

## DORM LIFE

Monday brings the dorm students from their weekend trip home back to the dorm and school for another week. After the long bus ride there is only enough time to stash the bags, have breakfast and make first period class. During the following four days our meals will all be eaten in the cafeteria. Some people think dormies have all the freedom they wish. Actually, the dorm counselors are good

parent substitutes and keep us pretty much in line. When we entered the dorm for the first time, our parents left a list of things we could and couldn't do. We are held pretty much to that list. We also sign in and sign out of the dorm.

A study time is planned into each evening's activities, and a grade sheet goes out every week to keep a close check on our school progress.

Ray Keeling listens to music in his dorm room.

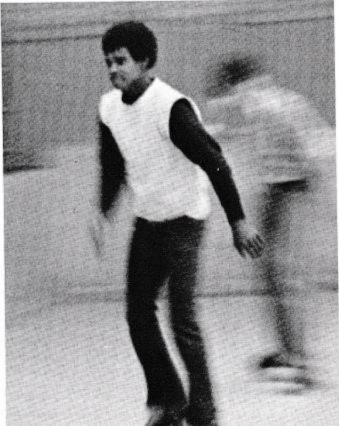

AT LEFT Karla Rogers takes dead aim in the dorm pool room, while Ronnie Doxtater (ABOVE) relaxes a few minutes before unpacking his bag and getting ready for another week.

Activities such as bowling, swimming, bingo, concerts, and the use of the gym are scheduled for us on a regular basis. DORMING CAN BE FUN!

# COOPERATIVE WORK

Cooperative Work Experience is a program designed to introduce students to the world of work. The program provides the high school student the opportunity to gain experience in occupations of his/her choice by utilizing the resources of the community and the school. The student is enrolled two or more hours per day, and he/she spends this time on the job site learning about a specific job and related occupations. In addition, directed activities provide him/her the opportunity to explore and to evaluate his/her effectiveness and suitability in the world of work.

Cooperative work experience job sites are located both on the military installations and the civilian economy. At Nuernberg High School, many job sites are within walking distance while others are many miles away. The job sites offer the CWE student a broad variety of learning experiences which can be highly valuable in making career decisions and in acquiring skills training.

### VICA

The Vocational Industrial Club of America is a club designed to give Vocational Industrial Students a leadership role in the community and school. Students are encouraged to share ideas and develop projects. Leadership is strongly stressed and activities are geared to enhance Vocational Industrial Education and its world of work objectives and goals. Students from Cosmetology, Auto Mechanics, Electronics and Cooperative Work Experience programs make up the officers and members of VICA. Nuernberg American High School is the first Department of Defense School Overseas to initiate the VICA Club. A National VICA Club in the United States ties together all Vocational Education in high schools, bringing together a united youth force for the world of work.

### Theatre Group

The Primary Aim of the Nuernberg High Theatre Group is to provide a meaningful outlet for students to portray their basic dramatic skills through a variety of learning and pleasurable activities. The extra-curricular activities in which the students are engaged include plays, skits, monologues and at least one talent show which provides enlightening and enriching entertainment for the Nuernberg High student body and staff as well as the Nuernberg Military Community. ## Spanish Club

The Spanish Club is made up of both Spanish class students and others interested in the Hispanic cultures. The Spanish Club has had successful taco sales to raise money. At Christmas there was a luncheon with the French Club; each person brought a different dish. The meal was followed by a pinata breaking, and pinatas were also made for the high school and kindergarten classes. The Spanish Club and classes put on a program for the school on April 14, Pan American Day. In the early summer, the students hope to make a non-school sponsored trip to Spain.

### Trichter Staff

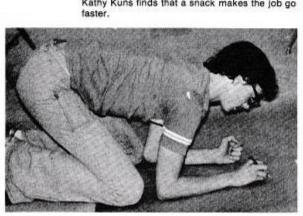

Once upon a time in the land of yore there was a paper that came out once a week, and everyone lived happily ever after. The function of the Trichter, the school newspaper, is to give the students a chance to express their views and to inform them of school events. However, it isn't easy to get an issue out with a schizoid editor, a multitalented, but touchy artist, a layout editor who thought that parallel was a swimming stroke, a combination punching bag typist who bears the brunt of all our anger, and a wayfaring stranger who brings food . . . Although the 76-77 Student Council may not be remembered for any major accomplishments, there were several dedicated members. Quite a few activities were planned, but only a few were executed. Over the summer, the executive board and a few others raised several hundred dollars with car washes. Once school opened, there was a successful back-toschool dance and a dorm dinner. The next major task was Homecoming-the halftime activities, the dance, the egg throwing contest, the tug-of-war between classes, the pie throwing at the football coaches, and the powder puff game between the Junior and Senior girls. (The Juniors were victorious.) A 50's dance and the Spring Formal were both held in March. We wish next vear's executive board the best of luck.

## Junior High Student Council

The Junior High Student Council was officially organized for the SY 76-77 in November. The Council consists of twenty reps and four officers. The officers are: President, Greg McWhirter; VP, Tammy Goulet; Treasurer, Yong Suk Hall; Secretary, Joyce Fooks. The Student Council is a service organization. It has tried to offer various activities to the seventh and eighth graders in order to promote spirit and unity. The Student Council has sponsored dances, Christmas carolling, special days (i. e. Mix-Match Day, JHS Day). Some of the reps are serving on a welcoming committee to welcome new students to the school.

## ROTC

ROTC means Reserve Officers Training Corps, and that is the purpose of ROTC — to train and prepare you for a career in the military. ROTC helps you get a head start in the basics of the military, for instance, leadership development, drill, customs and courtesies, and many other widely varied subjects. ROTC also prepares you for a civilian career. This is done in many ways. One way is by helping you to become a leader, which is a quality needed in every business in the world. Another way this is done is by helping you to learn how to give and receive orders. ROTC offers many college scholarships for anyone who wants to go to college and join the military. There are many opportunities opened to you through the ROTC. Check them out!

## Pep Club

The Pep Club offers spirit for our teams. We owe our organization to Debbie Holman who worked very hard at getting cheer sheets, and organizing pompoms and T-shirt orders. Our sponsor, Mrs. Mathern has given loyal support through the cheery and tears. Our greatest aim is to support our team through victory and defeat.
