## This File: 1948 Yearbook: THE VOYAGER

### ARCHIVIST'S NOTES

This PDF file of the Nürnberg American High School's first yearbook with pictures, "The Voyager," is primarily a reproduction of the copy owned by Barbara (Kale) Falzini, NHS class of 1948. It was scanned by her son Mark Falzini and sent to me, the Nürnberg Alumni Association archivist/historian, in response to a call for historical memorabilia from NHS alumni. It also incorporates material from the yearbooks of the late Don Hilty, '49, and Peggy (Segur) Misch, '48.

This file of NHS's first yearbook is unusual in several ways. First of all, very few of the pages in the yearbook were printed. Most, if not all, photographs were individually pasted into each person's copy. In some instances, a place where a picture was supposed to be pasted is empty. Joan Kay (McCarter) Adrian, '49, has offered some explanations for the missing photos. In the case of two seniors whose individual pictures are missing, Joan notes that they did not actually graduate with the class of 1948. Pictures are also missing in the "Who's Who" section. Joan thinks maybe these people were not present at the time of the photo shoot. These pictures are missing in all three copies of the yearbook that I have seen. If any alum has more information on the missing pictures, I would very much like to hear from you.

Secondly, this file is an enhanced version of the original yearbook. What I have done is to crop out each individual picture in the original file and then enlarge it and enhance it to the best of my ability with the Microsoft "Picture It" program.

This file is enhanced in a second way. In the photocopy Peggy Segur gave to the NAA in 1990, she went through the book page by page and wrote identifying captions under nearly every picture. She even made some corrections in the typographical errors on the printed pages. I have copied her captions and corrections (and even added a few corrections of my own) into this file. I hope and trust she and I are accurate in our additions and corrections.

Many thanks to Mark Falzini; Jane Hilty, the widow of Don Hilty; Peggy (Segur) Misch; Eddie Thompson, class of 1950; and Joan Kay (McCarter) Adrian, for their help in preparing this file.

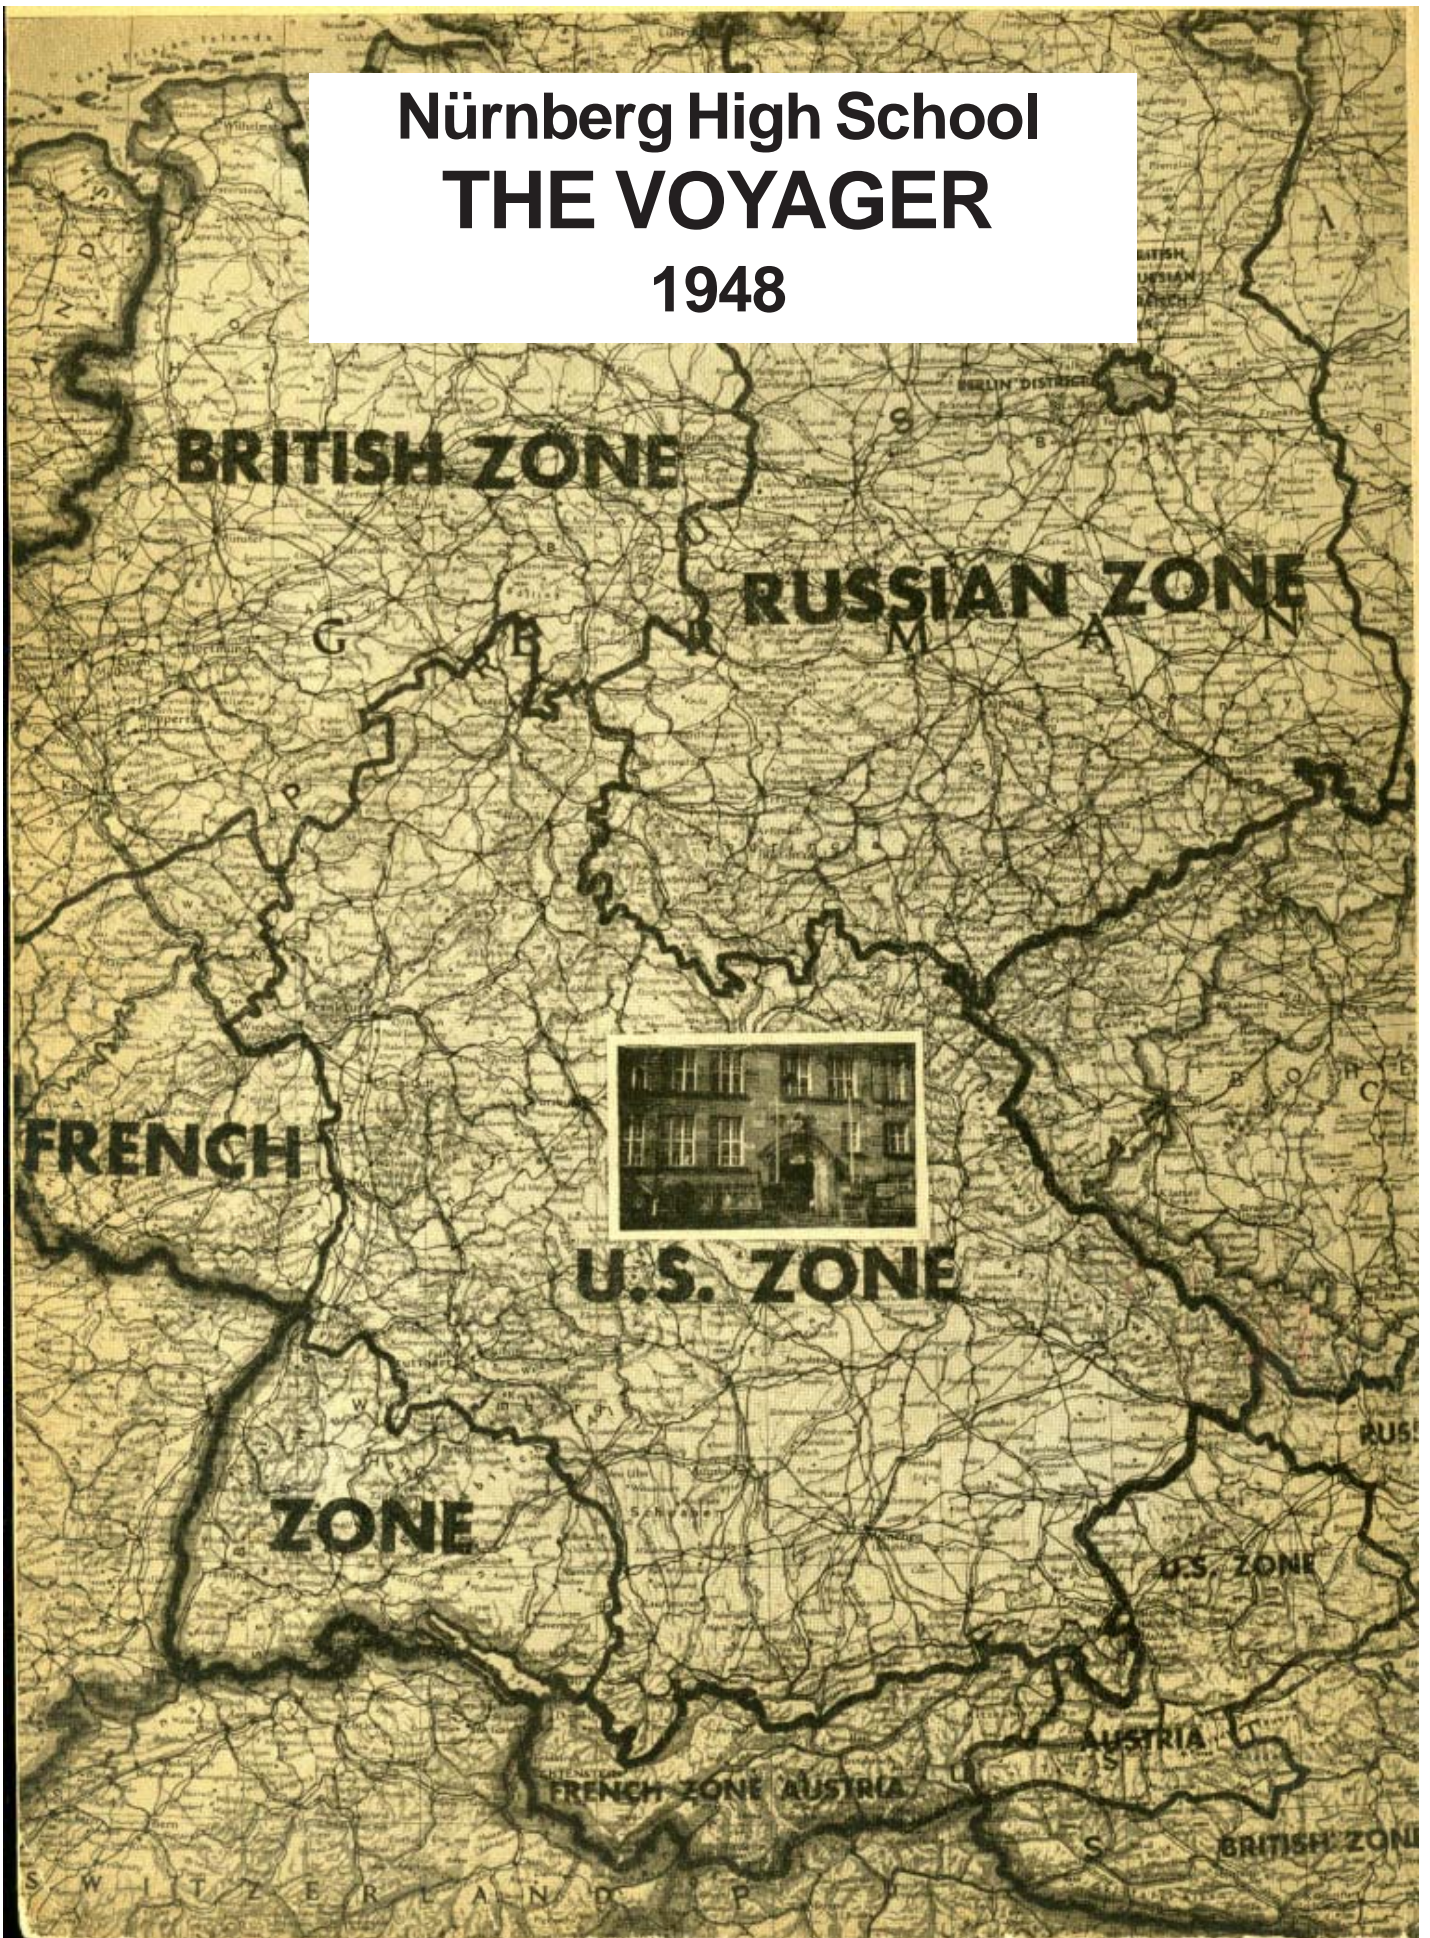

Comments, corrections, and further contributions to the Nürnberg Alumni Association Archives should be sent to

**Bernard J. Case      -"Bernie"-**

Undoubtedly the most outstanding boy in the Senior Class is Bernard Case, who'd rather be called Bernie.

Born in Superior, Wisconsin, in 1929; he traveled all over the country, landing in Waterville, Kansas, in time for his freshman year. While there he was a member of the Science Club of America, the Glee Club, and the J. V. Football and Basketball teams. He stayed there for his sophomore year and was again in the Glee Club and on the J. V. Football and Basketball teams. Besides all this he also held Class Presidency.

His junior year was split between Waterville, where he played J. V. Football and Basketball, and Heidelberg High.

Last August he moved to Erlangen, which made him eligible to come to Nürnberg for his senior year. While here, he was on the Voyager staff. His ambition is to become a pilot in the Air Force, and we all wish him a lot of luck in that field.

### Roberta Sheppard -"Bobbie"-

Vivacious is just one of the many complimentary adjectives we use to describe this pert miss.

In the town of Woodbury, N. J., on New Year's Day, 1930, Mr. and Mrs. S. R. Sheppard welcomed the arrival of a baby daughter, Roberta. This was our "Bobbie".

Starting her freshman year in Temple, Texas, she went to four more high schools before finally ending up here in Nürnberg Dependent High School. With activities such as Glee Club, Spanish Club, and graduation usher preceding her, one got the idea what a representative girl she was.

She is the Voyager editor-in-chief, a cheerleader, Teen-Age Club Council secretary, and one of the Council representatives of the Senior Class. As she was voted "Cutest," "Best Dancer," and "Most Popular," it is easy to see that her ambitions — to go to Indiana University and get married— will probably be realized.

All of us will remember her by her favorite expression — "Hi, Honey" — and wish her the best of luck.

**Barbara Kale    -"Barbie"-**

A newcomer, seeing a pretty blonde walking down the hall, asked, "Who's that?" Sure enough, it was Barbie.

Born in Trenton, N. J., in 1929, Barbie is the oldest of seven children.

Her freshman year was spent in Trenton Junior High Nr. 3. She then went to Englewood High, Englewood, Colorado, and back again to Trenton Senior High.

The first half of her junior year was spent there, where she was a member of the "Spectator" staff, and took part in their unusual "Sports Night." The last semester was spent in good old Erlangen High.

Her entire year was spent in Nürnberg, where she was a cheerleader as well as Queen of Hearts.

Barbie has two ambitions – to go back to the States, and to go to college. She didn't specify the college, but we know she'll be just as popular there as she has been here.

**Margaret Segur     -"Peggy"-**

Nürnberg's only "Big Wheel Girl" was born in Hartford, Connecticut, on February 15, 1930. She traveled all over the country and found herself in Rochester, N. Y., for her freshman year, where she was a member of the French Club and Tri-Y.

In her sophomore year, Peggy went to Miss Fine's School for Girls in Princeton, N. J., and was on the varsity field hockey team.

Her junior year found her in Germany, in old Erlangen High, then Munich, where she finished the year. But luckily, the beginning of her senior year found her back with us.

As Peggy is a cheerleader, vice-president of Student Council and dorm president, as well as a member of the Teen-Age Club Council, it is easy to see that she is one of our most active class members.

'Course we all know that her favorite saying is, "It was a riot," but "Where's Don?" runs a close second. How about it, Peggy?

Believe it or not, she wants to be an algebra teacher, but her ultimate ambition is to get married. (Anyone we know, Peg O' My Heart?)

# CLASS WILL

We, the members of the Senior Class of 1948, of Nürnberg, Germany, being of (supposedly) sound mind and memory, do hereby make, publish, and declare this our last will and testament hereby revoking any wills heretofore made by us.

First, we, the entire class, will to the junior boys, all the apples in the mess hall, so that they can keep Miss Leamer supplied.

To Bud Bryant, the senior English class leaves Lord Chesterfield's "A Correct View of Women," because he will undoubtedly appreciate it.

The senior girls will their places in the bath schedule, with clean water included, to next year's "new" dorm girls.

Bernard Case wills his "way with women" to Ned Poinier to do with as he pleases; he leaves his driving technique to the most careful of drivers, Johnny Mouat; and to Stanley Rackin he leaves his ability to recite Shakespeare.

Barbie Kale wills her bad habit - saying embarrassing things — to Charlie Mink; her supply of Dentyne she leaves to her brother, Bub, with the admonition that he hand it out only to upperclassmen; and she wills her quiet ways to Billie Jane Outsen.

Peggy Segur wills her "fish-face" to Joan Marlowe, who has tried so-o hard to copy it; her dictionary she wills to Ken Dorner, so that he may use bigger and better words next year; and her studiousness is to go to the great thinker, Joe Long.

Bobbie Sheppard wills her position on **The Voyager** staff to the hard-working and important Benjamin Abramowitz; she leaves her "liberated" signs to Marianne Houston, under the assumption that they will be used appropriately; and, to Gerry Cook she leaves her cigarette ration, to be divided equally among Dick Kale, Johnny Mouat, Jack Emerick, and Lowell Wynn, so that they may be supplied again next year.

Finally, to the juniors, we leave the great senior privileges, such as they are, and also the joys as well as the sadness of graduating from high school.

In witness, thereof, we, the Senior Class of 1948, the testators, have set our hand and seal hereto this tenth day of May in the year of our Lord, one thousand nine hundred and forty eight (1948).

# ACTIVITIES

## REMEMBER

- the first social event of the year, “The Freshmen Dance,” sponsored by the then large and active Senior class? The initiations sure were fun and what about lucky little John Emery’s face after he was kissed by Gerry Cook!
- the Football Banquet, and how sentimental everyone was when Coach Snyder gave his speech of gratitude to “the boys” for their presents to him?
- the Costume Ball and how “different” everyone looked? What about the Bavarians, Don Hilty and Peggy Segur!
- how excited everyone was about the “First Formal of the Year,” the “Christmas Dance”? It was also more or less a good-bye dance for Dud Jones, Russ Faulkner, and Hal Howes, since they all left for the States over the Christmas holidays. Didn’t everyone look wonderful?
- the “March of Dimes Dance,” the auction where Mary Lou Daly paid 75¢ for a banana? We really did a good job of raising money, didn’t we?
- when the talk about “Who’s going to be elected” and “I wonder who will be Queen,” started? The whole school was buzzing with curiosity about who was going to be the “QUEEN OF HEARTS,” and who her attendants would be. No one knew until the night of the fourteenth of February at 9:00 P. M., when Brig. General Leroy Watson crowned Barbie Kale, Queen, and Jackie Whitman and Joan Purdy attendants. Remember how wonderful the school auditorium looked, and how much fun we all had at this second of our formals?
- the fun we all had helping raise money for the Prom? The “Cake Chance Party” and those delicious cakes; the girls’ and boys’ dorm party with that most “fashionable” of all fashion shows? Will you ever forget Dick Kale in that bathing suit? What a figure!
- those weekend jaunts that took us to Augsburg, Munich, Regensburg, Würzburg are many other “home” cities? Gosh, how tired we were when Monday morning rolled around.
- last but not least, the “Out of the World” Junior-Senior Banquet and the wonderful all-school Prom? It was our last and most luxurious formal. The girls looked wonderful in their formals and the boys just looked. That’s all that needs to be said. It certainly was beautiful – thanks to the Juniors –and a night which no one will forget. Our Senior Prom in Nürnberg, Germany.
