## TIME

Time is like a golden key  
That opens up the knowledge door,  
Only time can bring to light,  
Answers we've been looking for.

Time is like a builder strong  
Creating what it may,  
Slowly taking time to mold  
The wonders of today.

Time we know can be deceitful,  
A cheater of honest men,  
And when lost in daily scurry  
Can never be found again.

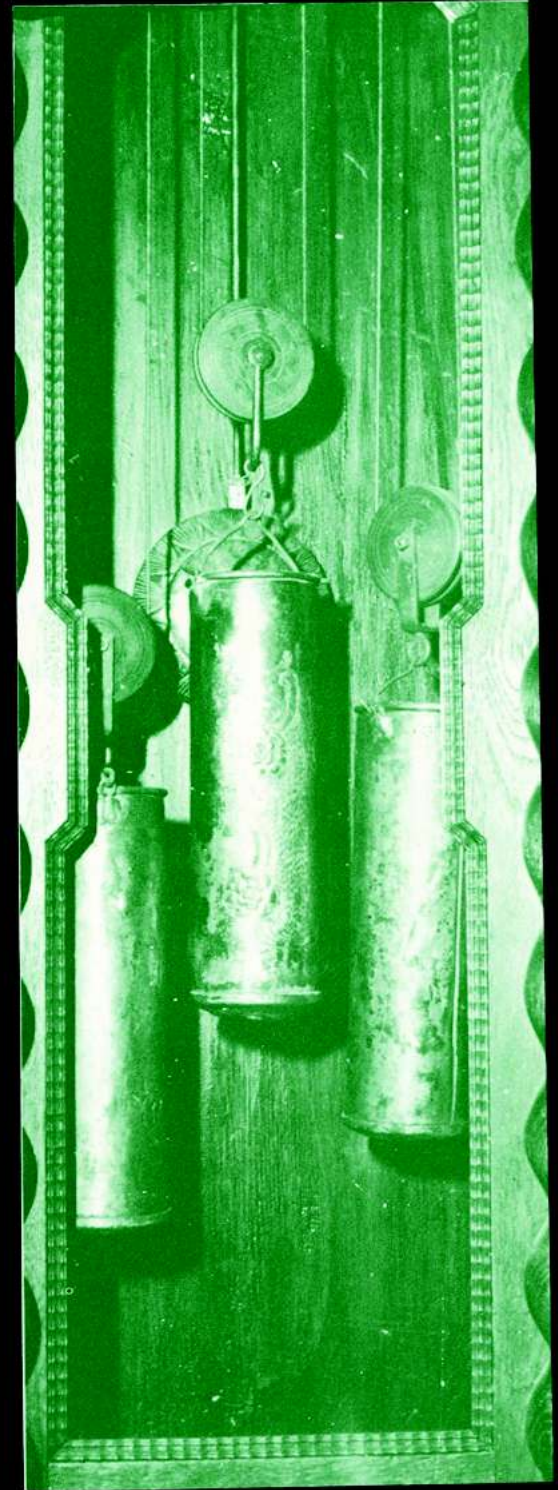

Time we've found will wait for no man,  
Time will rule its own,  
Time will be the final judge,  
Time and time alone.

Sometimes heartaches, disappointments,  
Make us think that time is cruel,  
But time's grief and burning sorrow  
Time eventually can cool.

Time each day is a precious milestone,  
Set your goals and set them high,  
Live and learn and bear in mind,  
That time is ever passing by.

Let us not let time defeat us!  
When all our seeds are sown,  
Let us see our lives a blessing  
In the time that we have known.

BERNARD LEE

As the last grains of sand in our four-year hourglass fall, we realize that time waits for no one. Our four years are at an end.

As we reminisce, we recall our carefree freshman days, gay sophomore escapades, the Junior-Senior Prom, and now our mighty senior year.

Let's turn the clock back and review the activities of the class of 1961. At the beginning of the year there were new faces as well as old. We organized early and elected class officers: Herby Browne, president; Henry Babb, vice-president; Benita Boehm, secretary; and Ruth Hill, treasurer.

Members of our class participated in other school activities. Lenny Habas and Elaine Hudson headed the Student Council. Many senior boys played football and basketball. Nancy McLane and Elaine Hudson were Varsity Cheerleaders and Royalty at the Homecoming Dance.

No class can operate effectively without guidance. We thank you, Mr. Rosin.

One, two — Cha-cha-cha.

"And the band played on."

Gone With the Wind was the theme of the Junior-Senior Prom. The prom was given on May 20, 1960, at the Kalb Club.

A buffet dinner was served and dancing followed. The juniors, seniors, and their guests were entertained by a dance band. A French entertainer's wit and charm were applauded by everyone.

The Seniors Class Prophecy was read, and the honors of King and Queen were bestowed upon Paul Provence and Jane McKenna. Jane and Paul made a lovely couple. The dance floor was gay until midnight with ceremonies, entertainment and dancing.

As we find ourselves near the zenith of our high school life, we not only enjoy rich memories but anticipate the fulfilment of our goal — becoming seniors.

The year started with an election of class officers. Gil Frisbie was elected president; Bob Duggar, vice-president; Nelle Wilkes, secretary; Terry Jorgensen, treasurer.

We participated in other school activities. Toni Miller and Gayle Pate represented us as cheerleaders. Micki Korp and Steve Bremer were elected secretary and treasurer respectively of the Student Council. A number of junior boys represented us in each school sport.

With all of these extra activities, we managed to study. We fought the War of Independence, disproved the chemists, and had the poets kicking in their graves with our parodies of their poems.

Now that we have had our prom, the end is near. Although we will always remember our junior days, we look forward to becoming seniors.

Our class took a big step up Nuernberg's ladder to become the Sophomore Class of 1963.

The class chose Lanny Eyre as president; Ronnie Coburn, Vice-president; Joyce McLane, Secretary; and Susan Worley, Treasurer, early in October to lead them on to a successful year. Susan Worley represented us in the cheerleading category and several boys participated in athletics.

The energetic sophomores joined nearly every club this year, and many of us were elected officers.

Our bake sale, which was held in the middle of December, was a big success. This was one of many fund raising activities for us. Because we enjoyed this year so much, we look forward to our junior year with great anticipation.

## FRESHMEN

We, the class of 1964, have come a long way since those first questionable days in high school.

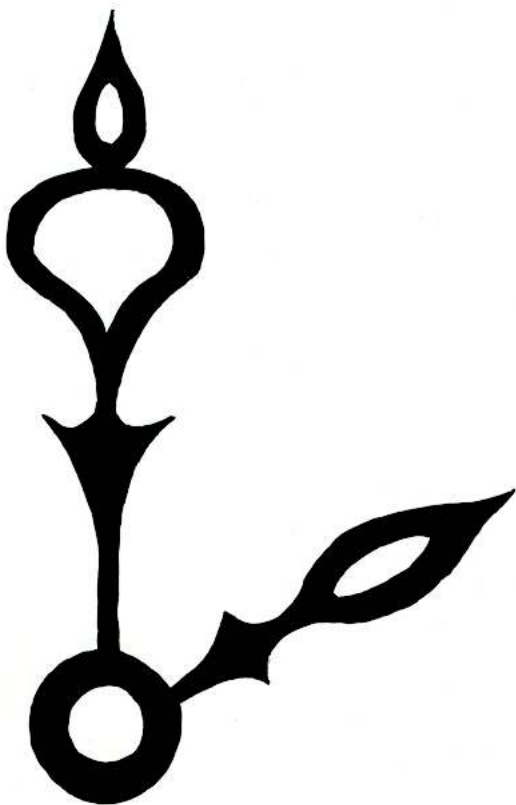

As weeks passed we became accustomed to loud bells, crowded halls, and many classrooms. We found that since we were a part to the students body we did have a say in school affairs. As the largest class in the representatives, thus making it very difficult to pass any legislation without our consent.

Our first task was the election of class officers: Darlene Ryan, president; Vickie House, vice-president; Sharon McCoy, secretary; and Grace Hurlahe, treasurer.

As we look forward to our sophomore year, we know that we will never forget those exciting freshman days.

## FRESHMAN ACTIVITIES

Our Junior High was the largest that Nuernberg has witnessed in many years. We were headed by the Student Council: Becky Frisbie, president; Paul Brooks, vice-president; Nonie Strawn, secretary; and Ronnie Nappi, treasurer.

For the first time this year, we had a Sadie Hawkins dance, which was a big success. All of our dances have really been fun.

Our Junior High also had a large percentage of students on the honor roll. Many thanks go to our teachers who have helped us earn this honor.

## TRACK & FIELD

Last year Nuernberg had the best track that it has had in many years. The season was highlighted by an astounding victory over the favorite, Stuttgart, in the Southern Regional.

We placed second behind Frankfurt in the USAREUR finals.

Another highlight of last year's season was a German-American track meet. The Duerer Oberrealschule took all the field events, while we won every track event.

The spark for this tremendous season was team Captain and leading point man, Curtis Tullie. Many thanks to Mr. Wendell Jahnke, the coach.

The Nuernberg Eagles went to Mannheim for their second game of the season. They proved to be too much for the Bisons as the Eagles trounced them 34-0. Frisbie and Getter again scored two each. Jim Thompson broke the Frisbie, Getter monopoly with a 20 yard scamper to pay dirt, to make it 30-0. Henry Babb kicked the ball through the uprights 4 times to give Nuernberg a 34-0 margin. Tom Turnmire and Jack Neville contributed greatly to the Eagle romp.

Nuernberg continued their conference domination with a 9-6 win over Baumholder. The lone touchdown for the Eagles came on a "sleeper" play which was a pass to end, Pete Brody, who was standing near the sideline. Henry Babb kicked the ball over the goal post for a 3 point field goal, to give Nuernberg their 9-6 win over Baumholder.

The Eagles kept rolling as they stunned Augsburg with a 25-0 victory. Willie Getter, Jack Neville, and Tom Turnmire were the scorers. Nuernberg's kicking ace, Henry Babb, made the extra point conversion as Nuernberg went on to scalp the Apaches 25-0. Ronnie Coburn, Rannie Lewis, Jim Thompson, and Gil Frisbie took the Eagles defense.

Nuernberg's high flying Eagles didn't fly quite high enough as their only loss of the season was to the Heidelberg Lions. The Lions took the kick-off and marched all the way for a score. This happened four more times as the Lions went to a 31-20 victory. The Nuernberg scores came when Willie Getter crossed the goal line twice, and Gil Frisbie touched pay dirt once. Henry Babb kicked two extra points making the score 31-20 in favor of the Lions.

Nuernberg was quick to recover from their loss to the Lions as they tromped Wuerzberg 35 to 0. The Eagles scores came from Tom Turnmire, Pete Brody and Willie Getter. Getter broke through the Wuerzberg line for 3 trips to pay dirt. Henry Babb set a new USAREUR record by kicking five extra point conversions. Outstanding on offense were Tom Turnmire, Willie Getter, Jack Neville, Henry Babb, Rannie Lewis, Ralph Mogel, and Ronnie Coburn.

The Eagles closed out the season with a 32 to 6 victory over the Bitburg Barons. Willie Getter, Nuernberg's scoring ace, crossed the goal line three times to give Nuernberg an 18 to 0 lead. Henry Babb added a point by again splitting the uprights for a 19 to 0 lead. Jack Neville and Larry DePasquale contributed to the Eagles cause to make it a 31 to 0 lead. Babb again made the conversion, making it 32 to 0 in favor of Nuernberg. The Barons lone score came in the 4th period. Ralph Mogel, Henry Babb, and Rannie Lewis led the tough Nuernberg defense.

"I'll get it coach!"

"Look out, coming through!"

Nuernberg High School began the 1960-61 basketball season by suffering a defeat at the hands of the Mannheim Bisons, 63-48. The determined Nuernberg team came back in the second game and won 55-50, splitting the two-game series with the Bisons. The Nuernberg Eagles defeated the Bisons by a score of 55-50.

High scoring honors in the first game went to Jeff Hart of Mannheim and Dave Worland of the Eagles.

Scoring honors of the second game went to Dave Worland.

After the holidays, the Eagles traveled to Frankfurt where the stronger and bigger Frankfurt team crushed the Nuernberg assault both games.

Dave Worland led the Eagles with 27 points for high honors in the first game with Don Ransom hitting 19 for the winners.

Frankfurt won this game by a score of 63-50.

Frankfurt took the second one by a score of 58-50, as Worland hit 13 followed by Pat Moran and Grant Jones with 12 each and Jack Neville who hit 10.

Coach Campbell's Eagles came back after the defeats at Frankfurt to crush the Heidelberg Lions 55-32.

Dave Worland and Lenny Habas both had a field day as they hit for 21 and 19, respectively.

Heidelberg came back determined in the second game. The Lions led at half time 23-13. It was a battle all the way. The Nuernberg team cinched the contest with 29 seconds left in the game as Habas hit a set shot from the corner and Worland hit 2 foul shots to put the Eagles out in front to stay. The Eagles won 55-49.

Worland and Habas paced the winners with 20 and 12, respectively. Steve Waters led the Lions, sinking 16 points.

# GOLF

The Nuernberg golf team, led by record-shooting Greg Picard, took the USAREUR golf team title and a first place in the singles division.

Greg Picard captured the men's singles with a new USAREUR record of 149 for a 36-hole course. Dick Taylor and Terry Jorgenson followed close behind Greg with a fourth and fifth, respectively.

All five members of the team, Greg Picard, Terry Jorgenson, Dick Taylor, Diane DeYoreo, and Rita Jannusch, gave an overall contribution toward bringing home the USAREUR golf trophy.

The Nuernberg tennis team returned from the tournament in Stuttgart, a little down-hearted but with a little more experience. Much school spirit prevailed as the determined Eagle team pushed their way to a sixth place tie. The typical good sportsmanship of our school was at its peak during the tennis tourney, as well as the effort put forth by the players and the coach. The high morale shown by the Nuernberg team was unequalled by any other school.

As the doors of Nuernberg High opened at the beginning of the school year, an annual class and annual book activity was formed. Sponsoring both was Mr. Fairbanks.

For the first time in the history of the school, a yearbook containing just Nuernberg was published. To name the book, titles were submitted and an election was held by the annual class. "The Eagle's Nest" was found to be most popular. With all the problems experienced by the staff, we still found that it was a most rewarding year.

The Radio Club dived in head-first with the big job of writing, producing, directing, and starring in the teen-age radio program called "Teen Hi-Lo Down." Getting "bugs" out of a script, timing, and taping a show is not easy work, so the club found out. Through the Radio Club's efforts, "Teen Hi-Lo Down" and "Teen Tune Time," two of the "bounciest" teenage programs in Germany, are produced.

The eyes and ears of Nuernberg American High School, the TRICHTER, appears ten times within the year. The staff, led by Mr. Robert McQuitty, gathers all information concerning the school and its surrounding areas and from it produces the familiar mimeographed newspaper.

The bustling activities in the newspaper office, new this year, also brought forth two printed issues and a special tournament edition.

Janie Ridner, Carol Sexton, Larry Voelkner, John Sanderson, Horst Satzinger, Mr. McQuitty, Marie Ertl, Joyce McLane, Ginny Shore, Connie Turner, Beth Bondshu, Steve Bremer, Susan Davidson, Terry Jorgenson, Toni Miller.

## CREATIVE WRITING

Here we have Nuernberg's own writing wizards, members of the Creative Writing class and their many jobs — illustrating, mimeographing, and proof-reading their inspired scribbblings, typing the final copy, sorting and binding the pages into the finished books. Our "Greats" of tomorrow are binding and working on *Skyline*, their more serious publication, which complements their light-hearted magazine, *Some Like It Cool*.

The photo club began the school year by choosing officers to head their club. Mr. Wenner was the sponsor. This club sponsored many things this year. First they had a contest of portraits taken by the students. They then tried to get as many people as possible interested in a contest sponsored by Kodak. Along with having contests, they showed slides to the travel club.

Their purpose was to improve composition and technical aspects of pictures, and to foster creative photography.

B. Crawford, *sponsor*.

The German-American Club was again formed at Nuernberg this year. Sponsoring the club was Mr. Crawford, who was an exchange teacher last year in a German school for natural sciences and modern languages.

The purpose of the club is to promote better cultural, social, and athletic relations between the German and the American young people.

Heading the club as president was Roger Haddad; vice-president, Lynn Gassert; secretary, Jon Bonsignore; and treasurer, Pat Duggar.

The German-American Club sponsored many activities this year and will probably be as active next year.

President Palmer and picture-happy friend.

Do-re-mi —

Are you coming or not? I'm thirstyl

The dormitory has been a home away from home for the past ten years. After having housed students from all parts of the United States, it came to life once again last September when the 1961 crowd noisily moved in. They elected Terry Palmer as president, Sue Whittick as vice-president, and representatives from each floor to lead them in their activities.

Now, as the time has come to depart to the United States, to other lands, or just home, we fondly remember parties and dances given for our benefit. We come upon the many hours of study hall and the restrictions, but they are dull coins in the bright collection of memories we have gathered in the past year.

Keep smiling!

The sign-out sheet is always there.

Watch that slam, Jerry.

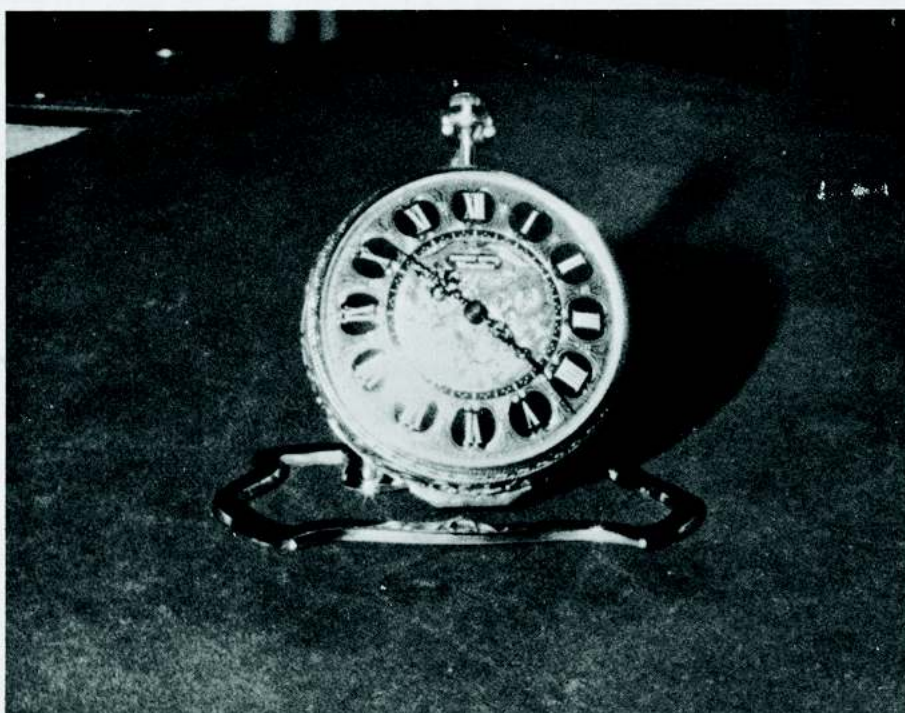

Wednesday night on the dance floor.

There is always someone in front of me.

The students of Nuernberg High will always remember this year's faculty for their unfailing willingness and effort to make this a memorable year for all, and the administration for their superior guidance. We would like to take this opportunity to thank our teachers and administrators for their leadership.

#### TIME

Time is like a golden key,  
That opens up the Knowledge door  
Master it, and you will solve  
The mystery of its hidden lore.  
Great is the man who masters  
himself  
And continues ever higher to  
climb;  
But greater still is the youth  
who learns  
Skillfully to use his time.
