The 1983 Christmas holiday mural at the entrance to the American High School in Fürth.

Photo and story by: Chema Ude

This colorful kite-paper mural adds to the spirit of the holiday season in the Fürth community where the school is located.

It is the work of the art teacher Joseph Scrino, and his second and sixth period art students.

The beautiful mural depicts the symbols of many world religions. The theme for the 1983 Christmas holiday season is "Peace On Earth And Good Will Toward Men."

The tradition of seasonal murals dates back many years for the High School. The ideas for the murals are submitted by the students who work on them as class projects.
