The Nuernberg Community Christmas Calendar offers many activities for young and old, old-timers and newcomers, families and single soldiers. Tree decorating, Christmas caroling, concerts, children's pageants, Christmas Eve Masses, Candlelight services and "Watch Night" celebrations are available for Christmas 1984.

The lights on the Community Tree will be turned on by the Community Commander December 14 at 2:30 p.m. in front of Nuernberg American High School. A Christmas picture in stained glass motif will be the backdrop as the NAHS Concert Band and the school's Junior High Chorus offer music of the season.

The window picture is a story in itself. Seventy Art I students of NAHS

teacher Joe Serino contributed their ideas for the work. The design of eleventh-grader Liane Black, titled "My Cup Runneth Over," was selected. All 70 students were involved with the construction of the transparent-paper project. The window for 1984 will be the 20th such window at NAHS.
