To stand beside a playful Alpine stream
And look high, high,
into the silver-blue crags above,
where misty tendrils swirl,
And wonder whence the stream comes,
Which moving field of ice gave it birth;
To walk and talk and live with people of other lands,
To share each other's knowledge and experiences;
These are the treasures at our fingertips,
Great wealth, more valuable than gold from any Spanish
galleon, resting on its murky hiding-places;
If we will but open our minds and grasp the treasures,
They will be ours to keep always.
Permanent and ever ready to be called forth
from the dark recesses of time past,
Not hoarded and stored away,
But returning, brightened through use.

ORGANIZATION OF THE SCHOOL

ACCREDITED STANDING

USAREUR high schools are accredited by the North Central Association of Colleges and Secondary Schools in the United States. This accreditation means that a recommended graduate of any of the nineteen high schools will be considered for admission to almost all institutions with full credit given for his high school work. In order for a student to be recommended from his high school, he must maintain high standards of scholarship throughout his years of high school work and be in the upper two-thirds of his class.

APPEARANCE

Proper appearance not only makes a good impression upon visitors to high schools and citizens of the host countries in which the schools are located, but has also been shown to have a high relationship to achievement and success.

Students in USAREUR high schools must come to school clean, and in clean, well-tailored clothes.

Boys in upper classes are encouraged to wear jackets and ties during the regular school day for academic classes. Girls must wear dresses or skirts and blouses.

CONDUCT

The conduct of high schools students shall indicate a sincere interest in their school work, a genuine concern for the welfare of the public property they use, and respect, courtesy, and friendliness for both their teachers and fellow students.

PUPILS' MARKS

A report of each student's marks will be given to parents at the end of nine weeks' marking period. A report will be sent at the end of the fourth week of each marking period if marks are unsatisfactory.

The computation of grades is determined as follows:

<u>MARK</u>	<u>EQUIVALENT NUMERICAL SCORE</u>	<u>HONOR POINTS</u>	<u>APPROXIMATE PERCENTAGE OF STUDENTS WHO ACHIEVE</u>
A— Excellent	94-110	4	5-20%
B — Good	86-93	3	20-40%
C — Average	78-85	2	40-60%
D — Poor	70-77	1	5-20%
F — Failure	below 70	0	0-15%
I — Incomplete			

HOMEWORK

Homework is an integral part of school work and must be carefully prepared. The amount of homework done will help determine the academic standing the student will maintain. A daily home preparatory period of at least thirty minutes for each subject is considered necessary. However, the amount of homework you will need to do will depend upon the difficulty of the academic program, participation in extra-curricular activities, and capabilities.

EXAMINATIONS

A final comprehensive examination constructed by the teacher and covering the work of the entire semester for each high school subject for which there is credit of one-half unit for a semester or one unit for a year. Such examinations normally count about one-third of the final mark of the course.

CAFETERIA

Cafeterias are operated in schools where most of the students live too far from the school to eat lunch at home. The food served in the school cafeteria is nourishing, healthful, and moderately priced.

SMOKING

Students will not be permitted to smoke in the school building or its immediate vicinity. Smoking in the residence halls will be allowed in specified places only, and with the written permission of the parent.

II.

PROGRAM OF STUDIES

GRADUATION REQUIREMENTS

To be graduated, students must have successfully completed the following:

Graduates in June 1960:	17 1/2 units
Graduates in June 1961	18 1/4 units
Graduates in June 1962	19 1/2 units

The graduation units must include:

1. English—four units
2. One major—three units from one additional subject-matter field.
3. Three minors of two units each from other subject-matter fields, including the required minors in both social studies and science unless one of these is used as the major.
4. At least one unit of mathematics
5. One and one-half units in physical education (including first aid and safety), unless excused for medical reasons; one-half unit in guidance courses.
6. One-fourth unit in personal typing or one unit for Typing I.

Students taking a foreign language are urged to complete three units of the elected language. A minor in a foreign language requires two units of the same language. Graduation credit may be received for one year of a language, but most colleges do not recognize less than two years as meeting language entrance requirements.

VIII.

USAREUR HIGH SCHOOL CREED

To be a school citizen as I expect to be a citizen of my country;
To develop within myself the traits that I admire in others;
To share my ideas and my time to the advantage of the school;
To listen and to learn and to think;
To be appreciative and to show my appreciation;
To be happy while I learn to live.

Powder Puff Football Cheerleaders: Ron Coburn, Terry Palmer, Herby Browne

TWO UNUSUAL CHEERLEADERS were on hand for the recent Powder Puff Football Derby between the junior and senior girls. The buxom cheerleader is Terry Palmer, who is being aided from behind by another cheerleader, Herby Browne. The sweet young thing to the left is Ron Coburn. To the right of the cheerleaders are the senior coaches, Tom Turnmire and Ralph Mogel, who don't seem too happy about their team's playing. Is sophomore Darlene Flecker (right background) expressing disgust with the game or with Terry?

Teacher Terrors Vanquish Varsity

By Larry Voelker

Pandemonium reigned in the last few seconds of the recent Teacher-Varsity basketball game when the entire Teacher bench raced onto the floor to help its beleaguered comrades protect a diminishing lead.

The teachers, who had led all the way were running low on steam in the final minute — despite helpful rebounds by the referees! A large crowd of screaming students rose to its feet as the Teachers' unusual tactics successfully stopped the Varsity drive, and everyone left thinking the score to be 45-42.

That the Teachers did nearly cause a riot, however, was reason enough for the referee to call a technical foul on the whole team. Eagle Pat Moran was given five free throws, but he could make only two of them because he was greatly hindered by Mr. Goold's unorthodox behavior. This ended the contest, 45-44. ...

After the game the Terrors cheerfully donned their ludicrous practice clothes and raced away to celebrate.

Eagle Grant Jones goes up for a basket while Mr. Goold makes like a windmill in the Faculty-Varsity game. But Jones' basket was to no avail, as the Faculty won with their unorthodox playing, 45-44. Terry Jorgensen, Rannie Lewis, and Mr. Howie Splete of the elementary school look on.

The team was in a huddle
The captain lowered his head.
They all got together
And this is what they said:
Ya gotta F I G H T! Ya gotta F I G H T!
Ya gotta F I G H T!
Ya gotta fight team, fight team!
Fight! Fight! Fight!

EIGHT LITTLE EAGLES

We're the eight lil Eagles
In an eagle's nest.
Cheering our team and doing our best.
Ain't we got the right to shout it?
What ya gonna do about it?
Fight, fight, with all your might!
Cause Nurnberg High's
Gonna beat em tonight!

TWO BITS

Two bits, four bits, six bits, a dollar!
All for Nurnberg stand up and holler!

END, CENTER, TACKLE, GUARD

End, center, tackle, guard,
All together, hit em hard,
Pass em high, hit em low,
Come on Nurnberg, let's go!

NURNBERG BOOGIE

CAREER DAY, APRIL 14, 1961

“In the conditions of modern life, the rule is absolute: the race which does not value trained intelligence is doomed. Not all your heroism, not all your social charm, not all your wit, not all your victories . . . can move back the finger of fate. Today we maintain ourselves. Tomorrow science will have moved forward yet one more step, and there will be no appeal from the judgment which will then be pronounced on the uneducated.”

Nürnberg Little Theater Presents "Guys and Dolls"

"Guys and Dolls" Attracts Talented Nuernbergers

Guys and Dolls, a Special Services production, directed by Miss Jane Simpson has drawn much talent from Nuernberg High and soldiers of the local area. NHS students taking part in the musical play with the Broadway setting are Saralee Goodman, who portrays a Salvation Army Miss, Dianne Wiest, who is featured in solo dancing. Grace and Claire Hurlahe and Janet Neville also have parts.

Goodman said, "Guys and Dolls was decided upon because it appeals to troops and dependents."

The plot is a rowdy one and revolves around two main plots, the love stories of Nathan Detroit, who is the founder of the crap shooting "joints" and his girl, Adelaide, who is very opposed to his way of living; and the romance of Sky Masterson, the heaviest bettor of the syndicate, and Sgt. Sarah Brown of the Salvation Army mission.

Three Nuernberg teachers taking part in the stage production are Mr. Worland, a plain-clothes man who is trying to clean up the gambling gang, Mrs. Laikind, a Lady-General of the Salvation Army mission and Miss Trivus, portraying Adelaide, the female comic lead, the "gal" who has been trying to get her "guy" for 14 years.

The show will have its premier May 2, at the high school gym and other performances are scheduled for May 5, 7, 11, 12, and 13. Tickets are available at the PX at \$.75 for adults, and \$.35 for children. —from NHS Trichter, Apr. 28, 1961
